## Governor's Message

Dear Rotarians,

Happy New Year! We have all been preparing and rejoicing for the new season to come in our own ways and quite a number of clubs have served the community in various forms for the young, the elderly, the physically and socially disadvantaged. And of course it is only through services from the heart, that we get to know of the kind of satisfaction that is absolutely unique and fulfilling.

Very often, we try to look for resolutions and new methods to resolve any conflicts or seek better ways to achieve our goals. New years usually offer such an opportunity for regeneration and re-birth. When we check our very resources of serving—into fellowship and the array of services we have been delivering, it points to our own members. Any basis for delivering services relies on membership and resources drawn from them. In recent years, there has been a gradual decline in membership throughout the world although the real growth in membership lies in Asian countries. Membership retention indeed is a decidedly paramount issue to consider.

Our Rotary International President Bhichai Rattakul recommends a retention pilot

program for a certain number of clubs throughout the world's 34 zones, of which 3 clubs from each zone serve as representatives to go through a well-designed retention program, to be evaluated each year for three years from 2003-2006. Each of these clubs, with the full consent from at least 75% of its members will stick to the recommended program procedure, from members recruitment, selection of them to be INVITED, specific ways for induction, allocation of club roles in serving as committee members, chairmen, and club officers, special training in participation in leadership programs,

attending district conferences and assemblies, regular Rotary education/information provided, etc. These 102 clubs are to be evaluated each year for their retention rate, to no less than 80%.

If each Rotarian is to be recruited and undergone with such valuable procedure, Rotary clubs will be strong again and the membership throughout the world will be truly growing. May be this is what each of us should be carefully thinking about....

These retention pilot programs are in the hands of the Assistant Governors, to be available to the presidents and members. Interested...? Of course it would be a great honor to be one of those 102 clubs in the world. If not, then may be the program itself is a true model for any clubs that wish to survive, sustain and flourish....!

Your Governor,  
Gloria K P Chan

From 1 July 2002, District 3450 comprises 49 clubs, 42 in Hong Kong, 5 in Macau and 2 in Mongolia. ## 總監的話

各位社友：

新年快樂！我想大家都早有盤算，如何去歡渡新春，許多扶輪社也各自精彩，打從心底內為貧弱老幼提供五花八門的社會服務，體驗衷心服務帶來的獨特滿足感。

我們經常會為擺平某些衝突，或者達成個人目標而想方設法，絞盡腦汁，新年可以給我們一個脫胎換骨的重生機會；無論我們是為聯誼或者社會提供服務，當核實各方資源的時候，最實在的是我們自己的社友，任何提供服務的基礎或資源都來自他們，可是近年來，全世界的社員數目都在逐漸下跌，雖然亞洲國家仍有實際的社員增長，但保留社員仍然是首要考慮的大事。

國際扶輪陳裕財社長提出一個保留社員的實驗性計劃，建議由 2003 年至 2006 年間，在全球 34 個地帶之中，每個地帶選出 3 個扶輪社作為代表，參與一個為期三年、每年檢討、且經過慎重設計的社員保留計劃。每一個參與的扶輪社須得到四分之三以上的社員完全同意，緊隨一個由該計劃建議的步驟保留社員，這些步驟包括社員招募、篩選合格被邀入社、到入社儀式、選派社內職務、成為工作委員會委員、主委、理事、參加領袖計劃的特別訓練、出席地區年會及講習會、定期吸收扶輪知識等；這些參與實驗計劃的 102 個社，每年檢討，察看社員保留率是否不低於 80%。

假如每一扶輪社員都經歷這寶貴的步驟，扶輪社將得以重新壯大，全球的社員數目將獲得真正的增長，也許這命題值得我們每一個人去思考……

這個保留社員的實驗性計劃就在各位副總監的手中，只待各位社長和社友的決定，你有興趣參與嗎？當然，能夠成為該計劃全球 102 個社中的一員是無上光榮；不過，縱使成不了一員，計劃本身就是一個社尋求生存、鞏固和茁壯的真實範本啊……！

## *The Charter of the Interact Club of Wah Yan College, Kowloon*

### 九龍華仁書院扶輪少年服務團成立典禮

Monday, 25 / 11 / 2002 星期一

District Governor Gloria Chan officiated the inauguration ceremony of the Interact Club of Wah Yan College, Kowloon on 25th November, 2002 and inducted all its members of the Board. The Interact Club is sponsored by the Rotary Club of Kingspark Hong Kong and it is the second Interact Club sponsored

by it after its sponsorship of the Interact Club of Wah Yan College, Hong Kong in 1997. Chartering the new Interact Club is certainly an exciting event and it is like the birth of a baby.

The inauguration ceremony was held during the school assembly and was attended by more than 500 students. It was witnessed by the attendance of DG Gloria Chan, DGE Jones Wong, Deputy Interact Chairwoman IPP Louisa Fong, School Principal Norman So and many fellow Rotarians from the host Club. The formation work started from early 2002 by the close liaison between the Club and the School Principal to lay down the mutual commitments. Two students were sent to participate the Model United Nation programme organized by the host Club in August, 2002. They were impressed by the programme and they formed a core group to organize a provisional Interact Club at the beginning of the school year. The Interact Club had 80 Interactors at the time of chartering and more students are expected to join the Club after its official inauguration.

President Anwer addressed to the Interactors during the ceremony. He gave some Rotary Information to the Interactors as an introductory training and he distinguished the difference between a social service club in school and an Interact Club, which will bring them to a more International and a bigger horizon. DGE Jones said, "Interactors of today are Rotary Leaders of tomorrow." Chartering the new Interact Club marks the beginning of our partnership in service and we believe

our work on Interact will help to build the foundation of good Rotarians.

**我見我言 - 候任區總監月談**

November is the Rotary Foundation Month. In our District 3450, we have a lot of strong supporters of Paul Harris Fellow and Major Donors. According to the reports from R.I., we have been achieving high rankings all these years in the zone and even one of the top three in the world. This is really great. Thanks a lot to our fellow Rotarians in the District.

The day-to-day meetings have been a routine to us. When it is happened to be no meeting in a day or two, we felt missing something, and not knowing what to do in the evenings. Perhaps we all belong to a group of people enjoying serving others.

On the 8th November, there was a reunion dinner gathering with the 2001-2002 Eagle Presidents at El Cid Spanish Restaurant Causeway Bay. There were over 20 Immediate Past Presidents of the year and a few spouses. The most happiest man was IPDG Johnson who has had missed all his presidents for quite a while. He told us that his neck has lengthened a couple of inches longer as he had been waiting for such a gathering since the 30th June, this year after he stepped down from his office of District Governor. I can feel what a lonely heart is after having finished a busy and glory time. This will be my days in two years time.

R.C. of Bayview Sunshine Hong Kong has created a miracle for District 3450 on the date of 10th November 2002. President Sophia organized a

Polio Eradication Fund Raising Campaign of Rotary International to defeat polio by 2005, jointly by Ling Liang Church Kindergarten and its Alumni Association with families. A total amount over HK\$400,000.00 was raised under a beautiful day with blue sky. President Sophia has set a very good example to us, not only showing a big program with over 2,000 people. Congratulations, President Sophia.

On the 13th to 15th December, PDG Anthony, DGN Alex and myself made a special trip to study something from a R.I. Joint District 3300 & 3310 Conference held at Joint World Hotel of Genting Highlands, Malaysia. This is the first time for us to participate such a Joint District Conference and naturally many things for DGN Alex and myself to learn. As these two districts comprised with several countries and cities i.e. Singapore, Malaysia, Brunei and Indonesia from each other may take a long way to meet even by airline, they need 2 to 3 days to conduct the conference in order to comply all the Rotary businesses for one whole Rotary Year. And of course, since there were long ways to come from everywhere to meet old friends and new acquaintances, time is never sufficient. Although it is a Joint District Conference, some common businesses were conducted jointly in the Grand Hall, but some District Affairs have had to be discussed separately in two different venues. On the whole, the Joint Conference was a successful one with over 1,000 participants plus over 2,000 unregistered for the families.

Taking this great opportunity, we met R.I. President-Elect Jonathan B. Majiyagbe personally and we had a private meeting for 20 minutes in the Joint Conference. I found R.I. President-Elect Majiyagbe a very nice and humble gentleman. His several speeches in the two days conference were really inspirational and he received many rounds of applauds from the floor. Without losing the chance, I handed over to him a letter inviting him to be the Guest of Honor in my District Conference in Hong Kong in November 2003.

The highlight of the year is Inter-City Meeting held on the 19th December 2002 at the Inter-Continental Hotel. We have the most honors to have invited R.I. President Bhichai Rattakul be the Guest of Honor in the meeting. During the meeting, R.I. President Bhichai has recognized all the PHFs, Major Donors, 100% Polio Eradication Clubs and 100% PHF Clubs. The following day on the 20th December, R.I. President Bhichai met with the delegates from the two provisional clubs in China, RC of Beijing and RC of Shanghai, as well as 9 PDGs from District 3450 and also DG, DGE and DGN. The meeting was mainly focused on one topic—the situation of the two provisional clubs in China; the reaction of the Chinese Government regarding these two clubs and the prospects regarding the recognition of Rotary in China. The 2-hour meeting was good and sound constructive. The conclusion was that we need more patience to wait for a little longer until the time when China feels more comfortable with all the NGO to become more mature and well developed.

Happy New Year and Kung Hei Fat Choy to everybody in the District.

DGE Jones

## *Report on the Inter-City Meeting in Honor of Rotary International President Bhichai Rattakul*

### 「國際扶輪社長埠際會議—歡迎陳裕財社長」報告

Inter-Continental Hotel 國際洲際酒店

Thursday, 19 / 12 / 2002 星期四

The Inter-City Meeting of District 3450 was held on the 19th of December 2002 to welcome the visit of Rotary International President Bhichai Rattakul.

A strong turnout of 579 Rotarians from 47 clubs in the district plus members from the two provisional clubs—Beijing Club and Shanghai Club—in China attended the meeting, which was held at the Inter-Continental Hotel in TsimShaTsui, Kowloon. The attendance was remarkable in view of the coming Christmas Holiday that is not normally a good time to hold such a major event.

The reception started at 5:30PM when all clubs were informed to come early to have their pictures taken with President Bhichai. Wine flowed freely and Rotarians enjoyed the ambience with music provided by the String Quintet from Ling Liang Alumni Orchestra. Fellowship was most enjoyable and everybody tried to get their pictures taken on time so that all could be seated by 7:00 p.m..

The meeting started promptly at 7:00 p.m. officially opened by DG Gloria Chan accompanied by host clubs President Chris Yeung of RC of Kowloon and President Allan So of RC of Tsuen Wan.

R. I. President Bhichai then made his official speech. He emphasized the importance for Rotarians to serve with their hearts at their own pace and level. Rotary International is not using the top-down style as in previous years but preferred the bottom-up approach. The grass-root Rotarians determine themselves how their clubs should be run and the number of members they should have. Quality not quantity is what was needed. Do not embark on grandiose projects that may not succeed but rather projects that we can accomplish. He also mentioned his favorable memories about Hong Kong where he spent a few years at the St. Stephen's College at Stanley before the Second World War. DG Gloria

then gave a vote of thanks and a souvenir of the famous Suzhou double-side embroidery with the theme 'Sow the Seeds of Love' was presented to President Bhichai.

Before dinner was served, a short video about the Hepatitis B inoculation project in China was shown.

Sumptuous Chinese food was then served and wines were pouring into every glass to signify the start of the merriment. The food was wonderful and the tossing of wine was heard

everywhere. It was a truly Rotary night enjoyed by all participants.

Recognition of 100% Polio-Plus Clubs, 100% Paul Harris Fellow Clubs and Paul Harris Fellow recipients were followed

swiftly with photos and handshakes. All were done with military precision to ensure President can leave by 10:00 p.m..

At about 9:45 p.m., the meeting was declared closed by DG Gloria again accompanied by the host clubs' Presidents.

Entertainment then followed firstly by the Ling Liang Alumni Orchestra, which performed some wonderful rendition of Chinese songs played by a full string orchestra. Miles Cheang

who flew from the US to Hong Kong in order to perform at this event demonstrated his magically touch with saxophone everyone's delight. Finally, the Ying Wa Girls Choir presented a repertoire of beautiful songs of Christmas to end the meeting.

All attendees had a wonderful time and all dispersed safely for home by 10:30 p.m..

## *Presidential Visit to Rotaract Clubs of District 3450* *By Rotary International President Bhichai Rattakul*

### 國際扶輪社長訪問 3450 地區扶輪青年服務團—歡迎陳裕財社長

Regal Kowloon Hotel 九龍富豪酒店

Saturday, 21 / 12 / 2002 星期六

It was a sunny and warm morning on December 21, 2002 when we, the Rotaractors, could meet our beloved Rotary International President Bhichai Rattakul. The Presidential Visit was taken place in the Regal Kowloon Hotel. There are altogether 50 Rotarians and Rotaractors participated in this meeting.

Before Rotary International President Bhichai Rattakul arrived, all the Rotarians and Rotaractors were very excited! As this was the first time for our Rotaractors to meet with Rotary International President!

In the meeting, he was like a kind and gentle Grandfather who taught

us and shared with us his experience. He knew that we would have a lot of public speaking to make, so he told us how to do it in a good way. Our Rotaractors were very enthusiastic and they asked a lot of questions.

As one of the Rotaractors said, Rotary International President Bhichai Rattakul was also like a Santa Claus! He was there to bring us some hopes and love. He was always ready to Sow the seeds of love.

The event was made possible with the support of District Governor Gloria Chan, Past District Governor Raymond Wong, District Rotaract Chairman Robert Kong, Rotaract District Committee, the Rotary Club of Kwai Chung who sponsored the event and the host club of this event, the Rotaract Club of Kwai Chung. Thank you.

## Report on

# District 3450 Polio Eradication Fund Raising Campaign Activities

## 3450 地區為根絕小兒麻痺等疾病計劃籌款活動報告

Eradication of Polio is the duty of every Rotarian. Since the beginning of the PolioPlus campaign, Rotarians took a leadership role in fund-raising, social mobilization, advocacy, volunteer missions, and strategic planning with governments and international and local NGOs.

Rotary's global goal of 80 Million US dollars this year will complete the final lap of eradicating Polio by our centennial year 2005. Eradication of polio means global saving of 1.5 Billion

dollars per year. But should we fail our mission by 2005, every extra year will cost an extra 100 Million.

District 3450 has committed to a per capita of US\$ 67 this year, together with extra fundraising activities and solicitation of major donors. Any report on today's achievement does not mean anything, as it will be outdated by tomorrow. I therefore asked the host club of what I considered to be one of the best ever polio eradication fund-raising

activities, Bayview Sunshine, to present a report on their achievement. This one day fund-raising program has been reported in the Rotary News Basket, and will appear in Rotary World, the PEFC monthly bulletin and the January 2003 issue of the Regional Rotarian Magazine.

# Report on District Tennis Tournament

## 地區網球賽報告

Shek Kip Mei Park (Tennis Courts) 石硤尾公園網球場  
Sunday, 1 & 15 / 12 / 2002 星期日

Although it had rained in the morning, the District Tennis Tournament 2002/2003 kicked off on December 1st and went on smoothly with all the participants having a great time. The tournament attracted 36 players from 15 different Rotary clubs of District 3450. Traditionally this is a great sport event for all the tennis enthusiastic and the like of Rotary families to get together, whether it is for fellowship or just to show off some new skills they picked up from previous tournaments. The atmosphere was friendly although the competition was serious.

Harbour team showed perfect teamwork, consistent 1st serve, more aggressive at the net and very few unforced errors. The Tolo Harbour team won the double final by the score of 5-2.

We would like to take this opportunity to thank DG Gloria Chan, President Raico Huen, AG Albert Tsui, CDS Peter Wan, PP K.K Kwong and Mr. Peter Hung (Executive Director of Hong Kong Tennis Association) for the opening ceremony and presentation of the trophies. We would
