拜會澳門特首何厚鐸先生

Dear Rotarians,

July has been a month full of joy, excitement and new dreams, manifested at the District Installation night, the club installation ceremonies, and the Mongolian visit with tour around the countryside. Nonetheless, it was the Literacy Month! For those clubs that are still making plans for the Centennial Project, this is certainly an area to consider. Deadline for the registration of this project has been extended, that gives extra time for careful and fruitful planning.

August is the month of Membership and Extension. While I take up some of the expressed opinions from a number of Rotarians that it is not the best move to have more clubs in Hong Kong as a district extension means, I consider it is high time for us all to meet the needs of the clubs with new members to ease them comfortably into our Rotary family and

to retain current and new members. I hope it is most clubs' high priority to do so.

Shall we all Sow the Seeds of Love in our clubs by inviting a friend to our regular meetings in this month? Let this friend get to know our members and the Rotary ideals. If it works out comfortably for the friend to participate in the club's fellowship and community service activity, we can then extend our hands of Rotary friendship to INVITE this friend to join as member of the club. We must look for persons with the hearts to serve, and stress that membership is by invitation only.

Sat. 17 August is the day for Membership Development and Retention Seminar. I hope all clubs will participate by inviting their new and current members to attend. It is through this opportunity that Rotarians get to exchange ways and means to attract the suitable persons to join our team to serve and to obtain information and the latest news of how Rotarians serve in other parts

of the world. I am sure participants will find the day interesting and informative. A very comprehensive organizing committee has been working towards that day under the leadership of IPP Jerry Liu and quite a number of co-chairmen from a number of other clubs.

Are you ready for another fun-filled and meaningful month? A trip to Kuala Lumpur to bathe in the hot sun and seaside scenery and to learn to resolve conflicts from very capable and renowned prime minister of a few countries—at the Presidential Conference of Peace and Development, held at the Renaissance Hotel of Kuala Lumpur. We will have the first opportunity to meet with our RI President Bhichai Rattakul, his Asian conference for all Rotarians, from Friday, 9th August to Sun, 11th August, a very manageable weekend participation, representing our District 3450!

Yes, more fun to come in August—look out for further announcement on a Film Gala Premier—our first fund-raising effort to actualize the Hepatitis B project. The success of this endeavour will enable us to officially start with the vaccination of the new-born babies in Han Dan, a few hours drive from Beijing, hopefully not later than late September this year.

Rotarians, make it this year a memorable year to remember, because you have participated in all the fun-filled and meaningful events—when you look back.....

From your District Governor,

Gloria K P Chan.

*From 1 July 2002, District 3450 comprises 49 clubs, 42 in Hong Kong, 5 in Macau and 2 in Mongolia. This Governor's Monthly Bulletin is issued to presidents, secretaries and directors of clubs and District officers. It is also available on the District Website: <http://www.rotary.org.hk> from where readers can access photos of club and district activities at the District Album. PP Parry Poon is Managing Editor. 總監的話

各位社友：

從地區交職之夜、各社的交職典禮、以至訪問蒙古，作草原之旅——七月是充滿喜悅、刺激和夢想的月份；七月，又是扶輪識字月；假如貴社仍在構思「百年紀念計劃」的話，「識字」是一個值得考慮的題材，為了讓大家有充足的時間來作慎重考慮和計劃，截止登記日期已予延長。

八月是社員擴展月。我一方面接受部份社員提出的意見：「現時香港不宜以成立新社作為地區擴展的手段」；另一方面，我認為區內各社都有保留新舊社員的迫切需要；現在是最佳時機，去減輕各社內新社員的疑慮，以溶入扶輪大家庭；但願區內各社都視此為頭等大事吧！

我們是否應該每人在本月內都邀請一位朋友出席例會，讓這位朋友認識本社社員，以至扶輪理想，以便播撒愛心的種子呢？假如他對參加本社聯誼和社會服務活動都感到滿意的話，我們就要伸出扶輪友誼之手，誠邀他加入本社，成為社員；請注意我們的對象是熱心服務的有心人，同時要強調只有受邀請始能成為扶輪社員的規定。

社員擴展及保留研討會已定於八月十七日（星期六）舉行。我希望區內所有扶輪社都能盡力邀請到新舊社員出席，藉機交換心得和途徑，以吸引更多擁有服務熱誠的適合社員入社；

同時獲取世界各地扶輪社友服務的最新資訊。在來自多個扶輪社以廖廣承前社長為首的聯合主席領導下，一個包容廣泛的籌委會已在積極進行籌備工作；我深信與會社友定會感到知情並茂，不枉此行。

你有準備迎接一個既有意義、又樂趣繽紛的八月嗎？到吉隆坡出席在 Renaissance 酒店舉行的國際扶輪社長和平及發展會議，親晤陳裕財國際扶輪社長，聽取幾位知名的國家總理解決衝突的見解，沐浴在陽光與海灘吧！歡迎所有社友參加，八月九日（星期五）至十一日（星期日）舉行，請代表本地區參與這個饒有意義的週末會議。

對了！八月是樂趣月，為乙型肝炎項目作第一次籌款的電影首映活動即將公佈詳情，請大家密切注視；這次籌款活動的成功將會為乙型肝炎項目揭開序幕，率先為離北京幾小時車程的邯鄲市新生嬰兒接種疫苗，希望在本年九月底前得以實現吧！

各位社友，但願當我們翹首回望之時，會以曾經參與的所有活動都充滿意義和樂趣，而把本年度銘記於心
．．．

Inaugural Speech

By District Governor Gloria Chan

陳麥惻斌地區總監 就職演詞

July 4, 2002

Mr. Stephen Ip, District Governor Romeo and Partner Juliet, Past District Governors S.H., Peter, Joseph, Arthur, Moses, Lit Mo, Vincent, Jason, Anthony, Dipo, and John, Immediate Past District Governor Johnson, District Governor-Elect Jones, my presidents, past presidents, fellow Rotarians and partners, Rotaractors, Interactors, guests and friends,

Good evening!

I feel humbled and honoured as I commence my term as District Governor. I realize my responsibility is immense to lead Rotarians to serve with dreams and tireless dedication to help make lives transformed and better for almost a century.

This year, our Rotary International President, former deputy Prime Minister of Thailand, Bhichai Rattakul advocates the Grass-root approach of recognizing the Club leaders' goals and ideas. He considers that Rotarians are in the best positions to know what is important to their own clubs and their communities, and to carry out activities in all of the four Avenues of Service.

The focus are on the areas of increasing membership, participating in or financially supporting at least one project or program of the Rotary Foundation and initiating or continuing at least one activity within one of the four Avenues of Service. He also emphasizes Rotary International's promise to eradicate Polio by the year 2005, thus our consistent effort with the rest of the world in raising \$80 million by the year 2005. The funds raised by Rotarians will be matched by the World Bank, and the Bill & Melinda Gates Foundation.

This year's RI theme is Sow the Seeds of Love, based on the belief that meaningful service comes from the heart; and is inspired by Rotarians' professional talents, we can help young people overcome to-day's

constraints and become to-morrow's leaders, develop service partnerships across national borders and make vital contributions to the global communities.

We can start by sowing the seeds of love in our clubs. Club fellowship is based on the love and concern we show for one another. With the warm and welcoming atmosphere in the club, current members would feel involved and active, thus drawing in new professional and business men and women who share similar beliefs and commitments. We can thus ensure the continuity of our organization by sowing the seeds of love in as many hearts as possible.

We can sow the seeds of love in our vocation by forming co-operative and supportive professional connections, creating positive outcome and upholding high ethical standards.

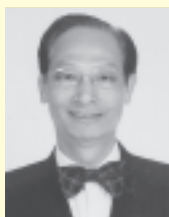

We can sow the seeds of love in our community by developing service projects that make good use of the Rotarians' talents in their professional and business expertise, thus stamping their own personal mark in Rotary service.

Finally we can sow the seeds of love in the world through our Ambassadorial Scholars, Group Study Exchange teams and Rotary Volunteers. We spread our love across oceans and national borders by feeding the hungry, treating the sick and sheltering the homeless. Our love can manifest in clean drinking water, accessible health care and education, and the fulfillment of basic needs for all humanity.

In our District, I would like to invite you to focus on our commitment of vaccinating new-born babies in China against Hepatitis B. This is our pledge to work with the Ministry of Health in an agreement signed in April this year.

Club leaders and Rotarians, I urge you to set your own goals with focus on our new generation. As we sow the seeds of love today, these seeds of service will blossom and live on for many generations to come. For all the efforts we make now, we are Sowing the Seeds of Love and in time these seeds of service will blossom and live on for many generations to come.

I cannot accomplish the above without the support of my District team. Now, let me introduce them to you.

My Sight, My Words - From the District Governor Elect

我見我言 — 候任區總監寄語

I came back from The 93rd Annual Convention of Rotary International held in Barcelona, Spain from 23rd to 26th June 2002. This was my 7th trip to attend R.I. Convention since I joined Rotary. Needless to say, this was another successful international convention with over 19,000 Rotarians traveled from 147 countries registered and attended. From our District 3450, we have over 40 Rotarians along with their spouses and families in the delegation led by our IPDG Johnson, Rotaryanne Jenny, daughter Joyce and son Jacky who is also a Rotaractor.

The delegation included DG Gloria Chan, DS Peter Wan, AG Albert Tsui, DT Alex Mak, IPP Raymond Sin, Steve Au-Yeung, Louisa Fong, Ernest Chiu, Jack Chiu, Shirley Cheung, K.K. Leung, Alfredo Ritchie, PP Bill Benter, Joop Litmaath, President Anson Chan, Raico Huen, Rtn. Peggy Chan, Interactor Bonny Tam, Rotaractor Ivy Yeung, and Rylarian James Chan, PDG Raymond Wong and Vivian. PDG Dom Vessigault and Christine, and PDG Nuno Jorge were also in the group.

I could see IPDG Johnson wearing a cheerful smile when he saw the big group of Rotarians from Hong Kong and Macau showing supports to our District. For this IDPG Johnson treated us a tasty feast in a famous seafood restaurant in Barcelona on the first evening right after the opening ceremony on the 23rd June. I would not forget to thank IPP Raymond, Steve and Louisa who paid for the wines at the dinner, as they were the winners who won the top three prizes from our District Governor's Special Award Program last Rotary Year. While they enjoyed the free air-tickets and hotels for the trip, we enjoyed sharing their happiness with achievement by drinking their wines as much as possible. Many big thanks again to all.

After reading the first issue of Governor's Monthly Bulletin from our DG Gloria, you might get to learn a lot about the major events in general in this R.I. Convention held

in Barcelona. But I would like to emphasize that during this convention, our district has done something unusual with which I would like to share the credit with all of you. As you might have heard of, for the first time this year, the programs of Rotaract, Interact, RYLA, and Youth Exchange had their own "mini conventions" during convention week. With the great effort and assistance from DICC PP Vincent Ng, PDICC Dominic Ko, IPP Grace Yen, Louisa Fong and of course DT Alex Mak, Interactor Bonny Tam and Rotaractor Ivy Yeung had been selected to represent District 3450 as Panelists in the 2002 Interact Convention Program and speaker separately in front of over 50 Rotarians from different countries. The way these two young ladies performed on the floor was just as good as many experienced Rotarians. They received many rounds of applause during their presentations. Congratulations to Bonny and Ivy and many thanks to the group of DIC and all supporters and sponsors.

From RYLA we have selected the best Rylarian James Chan to attend the RYLA mini convention. As this was the first time our district sent a Rylarian to attend such an international event, I accompanied James to the convention and supported him in many ways. For the entire course James showed big interest in learning many new things and meeting many new friends. If any of you would like to invite James to your club meeting for a talk or report, please kindly contact me.

To conclude this message, I would like to tell you that this is one of my best R.I. Conventions I have ever attended. I did enjoy all the fellowship both from the district and international. I am now looking forward to attend a new convention, which is coming up on the 1st to 4th of June 2003, at Brisbane, Australia. So, let us meet again over there.

Report on the Official Joint DG Visit to Area 1 (Macau)

總監公式訪問第一分區澳門五社

Saturday 20 / 7 / 2002 星期六

The District Governor Joint Visit to Area 1 was held on Saturday 20th July 2002 on the 4/F of the New World Emperor Hotel in Macau. DG Gloria CHAN was accompanied by AG Luis LUI and DS Nelson WONG from Macau, and DGE Jones WONG, AG Kenneth CHOW, CDS Peter WAN and DS Ada CHENG from Hong Kong.

The team started their first private meeting with Macau Club at 16:30; followed by Hou Kuong, Macau Central, Guia and Macau Islands. All private meetings ended by 19:30 and fellowship started at the banquet area. At 20:00 the event opened with a welcoming speech by AG Luis on behalf of all the presidents from Macau. Then DG Gloria gave her speech.

Firstly, she emphasized the Global Quest that membership growth was still an important subject for us to work on to increase membership, to increase our resources, to lend our hands to those who want to serve the community and to invite them to our clubs and become our members. Secondly,

she asked us to support The Rotary Foundation as well as the PolioPlus project. Since 1985, Rotarians all over the world had been fighting polio and this project was about to an end at the moment. It was expected by 2005 the whole world would eradicate polio. To achieve this goal, a fund of US\$40 million was needed. She requested all Rotarians to support The Rotary Foundation by becoming a Paul Harris Fellow.

She also told that our District 3450 had signed an agreement with the Ministry of Health of China to vaccinate new born babies free from Hepatitis B in the poor areas of China. This would be a long-term

project of ten years. She hoped that every Rotarian would participate in different ways. She also delightfully announced the Rotary Club of Hou Kuong had pledged to be 100% Paul Harris Fellow Club and four members of the club namely AG Luis LUI, President Paul IEC, PE Gwennie TAM and Rotarian Terence LEUNG would be major.

After her speech, the five presidents presented a beautiful crystal lotus flower to her. In return, she gave each Rotarian a district pin as souvenir. Then she inducted five new members, one from Macau Islands and four from Macau Central.

Finally, AG Luis reminded all Rotarians to leave the 19th and 20th of October 2002 open for the District Conference to be held at the Macao Tower & Convention Centre. A Chinese dinner was then served with excellent fellowship.

District Governor Visits Mongolia

地區總監公式訪問蒙古

11 - 16 / 7 / 2002

The first official trip of DG Gloria Chan in the new Rotary year was the visit to the two Rotary Clubs in Ulaanbaatar from July 11 to 16. Led by DG Gloria, the District delegation to Mongolia comprises 16 members, amongst them were DGE Jones Wong, AG Luis Lui, CDS Peter Wan and President Anson Chan, RC of The Peak and President Paul Iec, RC of Hou Kuong. Also joining the trip were RI Past VP Gary Huang and IPDS Liu Juei Lin from District 3480.

The visit was timed to coincide with the Naadam Festival (National Day) which Mongolians celebrate with a variety of cultural and sport activities. The delegation was able to participate in these events and gained a better understanding of the culture and life of our fellow Rotarians in the other part of our District.

DG Gloria and RI Past VP Gary, together with CP Oyungerel of RC of Khuree, were invited to the State Dinner hosted by the President of Mongolia celebrating the Naadam Festival in the evening of arrival. They were greeted by the President and First Lady of Mongolia and were introduced to a number of Parliamentary members and senior Government Officials.

The Mayor of Ulaanbaatar met the delegation in the morning of July 15, during which DG Gloria advised him the plan of a group

of volunteer medical doctors in Asia to carry out eye surgery operation for the needy in Ulaanbaatar

later in the year. The good news was warmly received by the Mayor who, in addition to conveying his thanks to the District, pledged his support to make this project a success.

The highlights of the visit were, of course, the Joint Club meeting held in the evening of July 15 and the private meeting of the Club President and Board members with the Governor beforehand. During the private meetings, DG Gloria had frank discussion of their club plans, problems encountered and assistance required from the District to make the two clubs in Mongolia operate more effectively. The constructive advice offered by DG Gloria was greatly appreciated by the two Club Presidents.

The Joint Club meeting was well attended by over 70 members and guests. DG Gloria

captured the attention of all present as she spoke about the theme for the year "Sow the Seeds of love". The presentation of RI and District awards to the Presidents and the Clubs brought further happiness to our Mongolian Rotarians. President Zannhuu and CP Oyungerel and their club members have to be congratulated for organising an enjoyable Joint Meeting as well as arranging various business meetings and fellowship functions for the delegation during their stay in Mongolia.

The Free Medical Check for the Elderly and the Disabled

A Community Service Project by Rotary Club of Kowloon Golden Mile

「深水埗區老人免費健康檢查日」九龍金域扶輪社主辦

Sunday, July 7, 2002 七月七日 (星期日)

How better can we display the thoughts & dreams of our RI President Bhichai Rattakul than to start the year with a noble cause of helping others ~ especially those in need!

On Sunday, the 7th July 2002, 38 Rotarians, Interactors, Roteractors and friends sacrificed their Sunday and served at the "Free Medical Check for the Elderly and the Disabled" event. The Rotary Club of Kowloon Golden Mile sponsored this service event together with St. Paul's Hospital and Wai Ji Christian Service for the fourth time and is planning to do this project annually. Preventive medical care is one of the practices to which our society needs to pay more attention. Through annual medical check ups we are able to detect symptoms and treat illness at its early stage. Rotary Club of Kowloon Golden Mile was able to reach & serve 680 people in a day and to prevent symptoms in developing into illness.

Over 350 elderly and disabled attended the morning check-up section. The heavy down pour in the afternoon, did not

discourage more from showing up. 250 Elderly and 100 Children with Mental Disablement showed up bringing our number of people served during the day to 680!! During the check up, each patient was ushered through six check points. These were urine, blood pressure, bone density, fat to body weight, lung function and hepatitis check. Those diagnosed with problems were immediately referred to the physicians on duty. At the end of the check point, a gift bag packed with one kilo bag of rice and a box of Biscuits was given to each elderly and disabled. They all left with a big smile and "thank you" and were looking forward to the announcement of the date for next years check up.

We were indeed honored to have amongst us our very own District Governor, Ms Gloria Chan to encourage and serve along with us. Several other VIP's supported the event, Sister Superior Jacqueline Ho of St. Paul's Hospital, and Mr. Tam Kwok Kiu, Chairman of Shum Shui Po District Council. A presentation ceremony was arranged to recognize the co-sponsors, doctors and Rotarianne, Mrs. Alice So.

The Rotary spirit is to serve. Through service event like this, the Rotary Club of Golden Mile was able to sow the seeds of love to the elderly and the disabled in Hong Kong.
