Governor's Message

Dear Rotarians,

Welcome you all for entering into my article! I hope you will find this year's "Governor's Bulletin" interesting to read and informative to be useful. We all try to deliver the Bulletin to you in the first two to three days of the month in order to give a fresh cognition of what is about to happen and to set the mood for your involvement and enjoyment of Rotary!

With the help of many of the District Officers, I feel quite excited and prepared to face this new Rotary year. Indeed it is going to be a year full of activities, service programs, efforts to build strong clubs and fellowship bondings, but most of all, we need to meet up with challenges of raising enough funds to support Eradicating Polio, maintaining the Annual Giving in order that a number of our students can have the opportunities to go overseas to

gain some important life-experience through their scholarships and to act as our Ambassadors to promote world understanding, a number of young professionals for exchange experience in their vocations. Most of all, Rotary's effort to bridge human distrust and world conflict through education---the basic means of understanding and realization-World Peace Scholarship at Masters degree level. Our District is one of the Pioneer Districts to support this program.

Our District's commitment to collaborate with the Ministry of Health in China to vaccinate 1 million new-born babies against Hepatitis B will officially commence shortly. It is also a statement of commitment to Life as Hepatitis B has been such a killer in China during the most productive period of some

peoples' lives. Through collective effort Rotarians can do ten or more times one can do to help. Fund-raising activities will commence shortly and I envisage every responsible and caring Rotarian will act in the most appropriate manner---a manner we all will take pride in being..... and in so doing, we all are Sowing the Seeds of Love!!

Your District Governor,
Gloria K P Chan

*From 1 July 2002, District 3450 comprises 49 clubs, 42 in Hong Kong, 5 in Macau and 2 in Mongolia. This Governor's Monthly Bulletin is issued to presidents, secretaries and directors of clubs and District officers. It is also available on the District Website: <http://www.rotary.org.hk> from where readers can access photos of club and district activities at the District Album. PP Parry Poon is Managing Editor. Phone him at 9058 0248 or fax him at 2877 3336 with your feedback.

Thoughts from the Governor Elect
候任區總監感言

On the December 6th 2001, the official announcement for the District Governor Nominee 2003/2004 was made, while I celebrated my 60th birthday on the 7th, the following day. I was apprehensive and nervous for weeks what the outcome would be. When I heard the result that I have the honor to be the DGN for 2003 and 2004, I was both happy and concerned with this result. This would be such a challenge to myself, to serve and work with the Rotarians in the District. This is a new phase for me in my life, and I am definitely looking forward to it.

I realize in order to achieve the common goal of our fellow Rotarians, so being the District Governor, I must be involved and get to know as many of you as possible, and communicate with all of you in the most direct way. I spent a lot of time visiting the clubs, and attending their projects, so I could establish a better understanding on a more personal bases. The success of any leadership is to maintain good communication and friendship within the team because the task to bring brighter future for our district depends greatly on the works of the Presidents, district leaders and our fellow Rotarians.

During the past six months after the announcement, I have tried to participate in almost all the events, meetings and programs, from Hong Kong to Macau, from Beijing to Mongolia. It was also such an honor and pleasure for me to start visiting various clubs, sometimes as a speaker, sometimes tell a joke or two. The essence is that I would like to know more about the culture of each club and their projects.

Rotary in Hong Kong has a long history, and we have many distinguished Rotarians who have put in time and money, and dedicated themselves for the good cause. Whenever I visit a club and listen to the reports on their well-done jobs, or actually being present at the event, it makes myself so proud to be a Rotarian, and feeling the noble convictions of these professional people who come together to serve the good of the society. We are all aware of the fact that membership growth is a main concern, and to achieve the Global Quest, we still have a long way to go. I really hope to hear more suggestions from all of you how we can maintain the growth, in face of the downturn of the economy in Hong Kong. In fact, it is during such time, that charitable organizations like us need to put in more effort to the society when it is most in need

to help people to go through the tough times.

I was certainly aware of the fact that some members left the club because of the disagreement of opinions, and I urge those of you who 'may' leave your club to join another club, because your contribution to Rotary should still be there, and there must be other clubs whom you would feel more comfortable with working as a team. Visit other clubs to learn from their fellowship and afresh your thoughts. Fellowship should not be just confined within your own club. On a similar context, if you have a friend who may not be suitable for your club, but would be most suitable for another club. Like in our club, our grandmother and mother always introduce some potential female members to us. It is also a challenge to our personality growth if we can care more and judge less. We must compromise and work sincerely with each other in order to work as a team, and learning to work together and understand the power behind the team requires respect of everyone and achieves the real goal of Rotary. As we all are familiar with the goal of Rotary is simple and direct. It is to serve the community and promote goodwill. The Four Way Test is the most precise direction of all our work for Rotary.

This is my first message to you all for the issue of Governor's Monthly letter for our new DG Gloria, I will be going to Barcelona from June 22nd to 27th, and will talk to you all again when I return.

District Governor Elect
Jones Wong

RI Convention in Barcelona

西班牙巴塞隆那國際年會

Barcelona is an extraordinary place. From the moment you step out of the plane you feel excitement and electricity in the air. It is a city at the crossroads of the Mediterranean and is so full of the life and diversity.

The architecture of Guadi, Catalonia's most famous architect, dominates the city. It would have been easy to spend many hours visiting the amazing creations of this basilica, which was build one century ago, takes several hours to appreciate fully. Climbing up the steps afford a fabulous view across the city.

The carefully planned RI convention

events started at the Opening Plenary session on 23rd June among the inspirational speeches, one of the highlight moments was the appearance of the world-famous entertainer, Jerry Lewis.

He was there to be recognized for his "outstanding humanitarian service" on behalf of children with disabilities. It would have been wonderful to be able attend the Closing Ceremony on 26th June where he was scheduled to perform for 40 minutes with the Mediterranean Orchestra.

Surprisingly, Monday was a public holiday and the shops were closed. This probably was a blessing in disguise as I'm sure many of our Hong Kong delegation would have found it difficult to restrain themselves.

That evening though, they would not have been disappointed had they attended the Host Hospitality event at El Pueblo Espanol, a Spanish village featuring replicas of Spanish architecture, artisan workshops, entertainment, and restaurants.

The presentation by Jacques Moreillon, secretary-general of the World Organization of the Scout Movement delivered a keynote address at the New Generation plenary session was very constructive and uplifting.

Our President-elect Bichai Rattakul, had lots of encouraging words on how to make Rotary in 2002-2003 count. As he stated, "there are thousands of activities going on at his moment in the name of Rotary. Whatever we do, one element remains constant the best Rotary fellowship and service always comes from the heart."

All Rotarians, upon leaving this exciting convention, will be thinking of ways to better SOW THE SEEDS OF LOVE in our clubs, in our vocations, in our communities and everywhere in the world.

District Conference 2002-03 in Macau

本年度國際年會 十月十九至二十澳門舉行

I have the honour to be invited by DGE Gloria to serve as Chairman of the District Conference for the Rotary Year 2002/03. It was given to understand that the Rotary International Legislative Assembly in May 2000 recommended that all District Conference to be held in the first part of the respective Rotary Year. Therefore, our forthcoming one is to be held as follows and please pencil in your diary: -

District Conference 2002/03

Date : Saturday 19 October thro'
Sunday 20 October 2002

Venue : Macau Tower
Convention & Exhibition Centre
Macau SAR

May I remind the senior members of the clubs, for whatever reasons you have become inactive, be obliged by your attendance to the District Conference, so as not to become totally detached from the recent affairs of Rotary, and not to deprive your less-experienced fellow Rotarians of sharing your wisdom and knowledge.

As for the less-experienced Rotarians, needless to remind you that, only by your active attendance to the District Conference will your knowledge be broadened and your respect be earned.

This is only the earliest information I can give you, members of the Working Committee are in the planning stage to work out the budget and program, etc, all related arrangements will be communicated to you soonest when available.

I surely need your encourage and support, while having the confidence that we will give you a good, if not the best, District Conference.

Yours in Rotary,

Peter C. C. Chau

總監的話

各位社友：

歡迎大家閱讀新一年的總監月報，相信大家都能察覺到我刻意增加月報的趣味性和資料性，同時我們會盡力讓月報在每月的頭兩三天出版，讓大家盡早認知即將發生的扶輪大事，以便適時準備，抽空參與，享受扶輪。

我已充分準備去面對新的扶輪年度，在眾多地區職員的襄助下，我感到非常鼓舞！未來一年將會充滿各種活動和服務計劃，加上各種聯誼活動，來加固區內各社的實力

和團結。不過，我們要面對的最大挑戰，是要籌募足夠的經費，一要支持根絕小兒麻痺等疾病計劃。二要維持足夠的年度捐獻，以便透過各項獎學金計劃，使我們的學生能有機會到海外摘取寶貴的人生經驗之餘，同時又成為我們的親善大使，增加國際間的了解；使我們的一些年青的專業人士可到外國交流經驗。此外，扶輪又建立碩士學位的世界和平獎學金，希望透過以教育作為瞭解和實踐的工具，來溝通人類的互不信任，以減少國際糾紛，本地區是支持這項計劃的實驗地區之一。

本地區與中國衛生部合作，為一百萬新生嬰兒接種乙型肝炎疫苗計劃快要正式開展。每年在中國，乙型肝炎奪去許多正值盛年的生命；而比對個人，扶輪社員透過集體努力，可以發揮十倍以上的成效，這是我們尊重生命的一個承諾。籌募經費的活動馬上就要展開，我熱切期望每一位有承擔的熱血社員，都會職盡本份，踴躍捐輸，引以自豪，一同「播撒愛心的種子」！

你的總監
陳麥愷斌
