Governor's Message

Dear Fellow Rotarians and Friends,

On behalf of R.I. District 3450, I attended the "Anti-Drugs Carnival," organized by Lions Club International District 303. Hong Kong and Macau on 10th March 2002 at the Hong Kong Tamar Site. The Carnival, co-organized by Narcotics Division, Security Bureau & Action Committee Against Narcotics, was also a fund-raising event. As partners in service, District 3450 was asked to sponsor one game stall for \$5,000. Our interactors helped to design the stall and games for the visitors. It was a sunny day. The carnival attracted around one thousand participants.

Immediately after the opening ceremony, I rushed to Shatin Sports Ground to attend the opening ceremony of the Rotaractor's "Rolympics", which was a Sports Day organized by the Rotaractors. It is true you will feel energetic and young while playing with the Rotaractors. This was the main reason that I decided to stay behind until the end of all events.

15th March 2002 was a happy day for District 3450 as one

of my district secretaries, DGN Jones Wong, got married on that day. The charming bride is one of my Regal Presidents, Shirley Cheung, who is the third president that got married during this Rotary year. Many Rotarians attended the wedding ceremony, held at the Cotton Tree Drive Marriage Registry. I was deeply honoured in being asked to represent the

From 1 July 2001, District 3450 comprises 49 clubs, 42 in Hong Kong, 6 in Macau and 1 in Mongolia. This Governor's Monthly Letter is issued to presidents, secretaries and directors of clubs and District officials. It is also available on the District Website: http://www.rotary.org. hk from where readers can access photos of club and district activities at the District Album. PP Parry Poon is Managing Editor. groom's parents. Let us all extend our greatest congratulations to the newly-wed couple for their perpetual live-long happiness!

The 42nd Annual Conference of RI District 3450 was held on 16th to 17th March 2002. There were about 500 registrants. RI President Richard D. King appointed R.I. Past President Clifford Dochterman and Mary Elena to represent him and Cherie King. Past President Cliff delivered several speeches which were inspiring and motivational. Rotarians were definitely satisfied in having such a knowledgeable, humorous and great speaker from Rotary International. He also participated in the induction of new members, who were asked to repeat what he said. The undertakings included "I will attend the next district conference", "I will do what my governor asks me to do", "I will wear my Rotary pin", "I will support the Rotary Foundation of Rotary International", "I will attend the 2002 Barcelona Convention", etc. The format of induction was new and interesting to us, thus creating an amusing atmosphere.

R.I. Past President Cliff Dochterman also pointed out a Rotarian does not begin from the date of induction. He or she becomes a true Rotarian only after doing something helpful to the people in need. A true Rotarian is one who has served the club, served the community through the club's service projects, and supported the Rotary Foundation both in program participation

and financial contribution.

R.I. Past President Cliff Dochterman was very satisfied with the conference program, the overwhelming support form the Rotarians, especially the Rotarians from Mongolia, and the warm hospitality extended to him and Mary Elena. He extended his congratulation to our success in the conference.

In addition to the seven Oscar Awards presented at the Governor's Banquet, two other awards were also presented to two senior Rotarians. The 'Life Achievement' Award was presented to PDG Peter Hall, while the 'Most Respected Rotarian' Award being presented to PDG George Choa, for their devoted service to Rotary. A heartfelt congratulation to both of them!

Another popular session of the conference was "Youth Services". Because of the popularity of Miss Siao Fong Fong and the outstanding presentation by Professor Dennis Lo, the session was fully attended by Rotarians, Interactors, Rotaractors, Rotary Scholars and Group Study Exchange team members. The discussion was so interesting that the session was overrun seriously.

A successful conference requires creative planning, superb promotion and proper execution. Conference Chairman PP Kenneth Chow fulfilled all of these. I am grateful to PP Kenneth and his organizing committee members for putting forward such a remarkable conference. I would also

like to thank PDG Y.K. Cheng, PDG Anthony Hung and PP Stanley Mok, who have rendered considerable time and council to the conference. A special thanks should go to PDG Dom Vessigault, who came back from San Francisco to support our conference and shared with us his experience in Global Quest.

The Asian Presidential Conference was held in Taipei on 22nd-24th March 2002. The conference attracted over 900 registrants, which include a delegation of 23 Rotarians and spouses from District 3450. A flag parade was arranged at the opening ceremony. The national flag of the People's Republic of China was one of the flags. At the farewell lunch held on 24th March, over twenty new clubs were chartered. Our baby club, the Rotary Club of Khuree, was the first one to be presented a Charter Certificate by R.I. President Richard King.

Rotary International President Richard D. King and Cherie King paid an informal visit to Hong Kong from 30th March to 2nd April. They came after a visit to Mainland China with the President's new aide, Past R.I. Director Robert Coultas and Mrs. Coultas. During his stay, we video-taped a message made by the RI President for use in the Rotary Show. In the message, President Rick made an introduction of Rotary International followed by extending his full support to our Hepatitis B program in the Mainland China.

Talk to you again next month.

I would like to thank all the club members and presidents who helped promote and fully supported the Tournament, which was the critical factor making the event so successful. Moreover, we thank DG Johnson Chu, for his opening address and presentation of the prizes, and IPP Tony Wong, Chairman of Sports Committee, who help to draw game players and restless

Rotary Foundation Alumni Reunion Dinner 扶輪基金學人舊生聯歡晚宴

Friday, 01/03/2002 星期五

The Rotary Foundation Alumni Reunion Dinner on March 1 was quite different from most previous reunions.

For a start, many among the 30-odd group had never seen each other before and came from diverse professions and educational backgrounds. The years they spent overseas also spanned the best part of quarter of a century - from 1976 to 2001 - yet, within seconds of coming together, the Rotary Alumni were deep in conversation like longlost brothers and sisters.

Continuing the family metaphor, some of the Rotarians at the dinner are like the parents of the Alumni. Even before 7pm the official time for the arrival of our guests - a group of Rotarians had already arrived at the venue in the Royal Pacific Hotel in Tsim Sha Tsui. They could not hide their eagerness to meet and mix with the Alumni. Members of the Foundation Alumni at the reception desk were equally excited to see their fellow Alumni in flesh, after weeks of effort tracking them down and updating their contact information.

The event officially started at 8p.m. with the Rotarians leading a rendition followed by an introduction of the Foundation Alumni by the Alumni Sub-committee chairman, Alex Li. The overseas experience of the alumni was brought alive as they swapped photos over the dinner table. After the meal, it was time for a series of games to lighten the atmosphere, as well as test the Rotarians' and alumi's language skills and their knowledge of the Rotary.

In no time laughter and heated discussions filled the room - the lovely food on offer took second biling to conversation. Some were surprised to find themselves studying at the same place, with mutual friends at the Rotary, or in one way or another connected in their careers and whether they won the games or not, everybody was content to have made so many friends and rekindle recollections of special times.

The Rotary Foundation Alumni Subcommittee would like to thank all those who attended the dinner for their support. We also welcome any suggestions for our future activities.

Polly Hui, Rotary Foundation Alumni Sub-committee member

Thoughts of the Governor Elect

候任區總監感言

It has been said that good preparation is the groundwork that makes the job well-done. In the last few weeks so much efforts have been made to train the District leaders to be effective Assistant Governors, District Secretaries, and District Committee Chairmen. At least 40 menhours have been used to organize the program contents, logistic arrangements and methods of delivery. That was for the District Team Training Seminar which is mandatory for those to serve in the District as leaders. Chairman PP Dr. PC Fong and RC of Peninsula South with the advice from PDG YK Cheng made it all possible on 23rd Feb., 2002.

These leaders were motivated and in turn ready to train the in-coming Presidents and Club Secretaries at the annual Presidents-Elect Training Seminar (PETS) on 9th March. With great help from the District Trainer, PDG YK Cheng and

PDGs Peter, Raymond, Vincent, and Anthony, and the RC of Queensway as the host club, the in-coming Presidents and Club secretaries bonded with their Assistant Governors to discuss and plan for their coming year.

PP Bob Shroeder, the Organizing Chairman made every segment of the day proceed smoothly. The joining-in the training of PE Serge Dumont from RC of Beijing (Provisional) and PE Brinton Scott of RC of Shanghai (Provisional) made it all the more exciting for all the PEs further contact and interaction in the future is certainly assured. I personally feel a lot closer with these future leaders in the District. They are attentive and are aware of the Theme and goals through their participation in the discussion and planning. They certainly will spend more efforts in retaining their club membership, strengthening their Clubs by emphasizing fellowship, extending their

I hope they are, as I am, eager for the District Assembly on 20th April when they will be further trained and be built firmly as a team with their club directors and club chairmen in order to serve better in the club and create better programs to help in the community.

各位社友:

2002年3月10日,我代表國際扶輪3450 地區出席由國際獅子總會港澳303區主辦, 保安局禁毒處及禁毒常務委員會合辦,在香 港添馬艦舉行的「抗毒嘉年華」,該節目也是 一項籌款活動;作為服務夥伴,本地區出資 5,000元贊助了一個遊戲攤位,由扶少團團 員負責設計;當天陽光普照,吸引上千人參加。

The 42nd Annual Conference was successfully held on 16th & 17th March 2002. We are aware that the District Annual Conference is the most significant event of each Rotary year.

As Conference Chairman, it is my duty to ensure that the Conference is well organized with balance programs and all logistics are properly monitored. It is important that the Conference is well attended by Rotarians, Rotaractors and Interactors of our District. Above all, it is also imperative to keep the

expenditure within the budget.

I am pleased to report to you that this year Conference has achieved all of the above. The inspirational addresses by RI President's Personal Representative Past RI President Clifford L. Dochterman have impressed all the participants. This year Conference, we have also attracted media coverage on newspaper and this enhanced the Rotary's publicity in community. For your information, I list below some data which you may be interested to know:

Participants	Total number of registration	Total number of attendance
Rotarians	428	406
Rotaractor / Interactor	/	
GSE member /	104	113
Ambassadorial Scholar		
Total	532	519

Top five highest registration and highest attendance clubs

Rotary Club of	No. of Registration	Rotary Club of No. of Attendance				
1. Tolo Harbour	22	1. Tolo Harbour	22			
2. Tai Po	18	2. Tai Po	18			
3. Hong Kong	17	3. Hong Kong	17			
4. Peninsula South	15	4. Peninsula South	14			
5. Kowloon West	14	5. Kingspark HK	13			

Most importantly, through this year's Conference, Rotarians had a chance to enhance fellowship among them and to review service programmes on strength of the District by sharing experience with each other via House of Friendship.

Of course, I could not have accomplished the above without the help and support of a team of dedicated Rotarians who formed the Organizing Committee. All team members have dedicated tremendous amount of time and efforts to make all of the above possible. In addition, the guidance and advice from Past District Governors and Past Conference Chairman are also invaluable.

Last but not least, I would like to take this opportunity to thank all Rotarians who registered and participated in the Conference. I hope you will find your participation to this Conference a most enjoyable and rewarding experience.

To recap the good moments shared by us, a VCD of the Conference has already been distributed to all participants. A written Proceedings is expected to be available by the end of this Rotary year.

Report on Rolympic - Celebration on World Rotaract Week 2002

為慶祝 2002 世界扶青週之扶青運動會報告

Sunday, 10/03/2002 星期日

On 10 March 2002, about 120 Rotaractors celebrated Rotaract's birthday together by enjoying ourselves in the first Rotaract Sports day organized in our district, which was held at Shatin Sports Ground.

Specially designed club flags brightened the field and club cheers were being heard throughout the whole event. The main objective for our Rolympic was to have great fun and fellowship on the day. Therefore, apart from the traditional track and field events, we also had many interesting games like Backward Run, Human Rickshaw, and of course the winning game from our District Conference - Rotaract Run. We were especially delighted to have the participation of DG Johnson, DRC Stephen, and DDRC Ted, in our Invitation Relay, which was great encouragement to us.

I think all participants would agree that the Rolympic was successful in the sense that high team spirit and great fellowship were formed. We hope that this spirit can continue at club activities so that more can benefit from the Rotary family.

You are most welcome to share our joy on that day by visiting our website link as follow: http://rotaract.rotary.org.hk/Album/Rolympic/page_01.htm

Asian Presidential Conference in Taipei 台北亞洲國際扶輪社長會議

Friday to Sunday, 22 - 24/03/2002 星期五至星期日

The District's delegation to the Asian Presidential Conference was led by DG Johnson Chu and include PDG Dom Vessigault, PDG Moses Cheng, PDG Jason Yeung, DGE Gloria Chan, DGN Jones Wong, PP Kenneth Chow, IPP Peter Wan, PP Albert Tsui, IPP Ada Cheng, President Shirley Cheung, President L. Gombo, President J Oyungerel, PEN Batbold, Rtn. O. Jandawsuren, Rtn. S Jargalsaikhan, Rtn. B Sodnom and two other Rotarians from Mongolia.

The Presidential Conference began with the usual entertaining, and yet very motivational, speech by RI President Richard King. The dinner that evening was hosted by President Chen Shui Bian of Taiwan. Whilst admitting that he had been an honorary Rotarian since 1987, President Chen praised Rotary for all its humanitarian contributions made to the under-privileged in the world. After that, the RI President honored him with Rotary's Polio Eradication Champion Award.

The keynote speech on the second day was presented by RI Past President Luis Giay, Chairman of the Rotary Foundation, who, besides giving a very detailed account of some of the very moving projects undertaken by the Foundation, also appealed to all those present to increase their contributions to the Foundation. According to him, a little extra contribution from each Rotarian could easily double the total contributions received by the annual programme fund. This was followed by a controversial speech by RI Past President

MAT Caparas on 'the future Rotary in Asia' and then by an address from RI Past Director Robert Coultas on how to improve Rotary's public image.

The audience was then involved in a historical cross-strait tele-visual conference with live participation from President Sandra Walters of the Rotary Club of Hong Kong through tele-broadcasting. The discussions across the strait were focused on how Rotary could help the Olympic Games held in Beijing in 2008 and how Rotary service could be extended to mainland China. On the latter point, whilst the audience was disappointed with the progress of the legal formalities related to full government recognition of the two provisional clubs in Shanghai and Beijing, nonetheless, all agreed that the very meaningful humanitarian efforts made by Rotary in China should continue.

The afternoon session began with a speech on the success of Rotary's Global Quest by Kenneth Bond, Chairman of the RI's Membership Development Executive Steering Committee. This was followed by a very moving speech by RI Past Director Daniel Moores on why he joined Rotary. He gave a vivid account of how, having left Rotary, he was asked to re-join Rotary and, not only that, also to take on very important roles in Rotary

which he treasured and accomplished successfully and with pride.

The break-out sessions that followed featured many interest discussions ranging from 'the major membership challenges in the Asia-Pacific region' to 'attracting young members into Rotary'. Although PDG Dom Vessigault and DG Johnson Chu acted very successfully as panelists for the group that focused on 'strengthening clubs and developing club leadership', I participated in the group which discussed on how to attract young members. I was surprised to learn that the problem encountered by us in attracting successful Rotaractors into Rotary is not one that is peculiar to our district, but also a wider and universal problem encountered by many districts in the region.

After the open forum presided by the RI President and also his closing remarks, the conference ended with a highlight for District 3450 when the RI President presented the club charter to President Oyungerel of our new Rotary Club in Mongolia, the Rotary Club of Khuree in the farewell lunch.
