SEPTEMBER 1999 - NEW GENERATIONS MONTH

獻給新世代的九月

Dear Rotary Leaders, My Presidents 2000,

Youth is always considered as the most important ingredient to any organization's future and survival. Rotary International recognizes this and for this reason, they have designated September as the "New Generations Month". During this month we are all asked to concentrate our efforts on young people aged 30 and below.

Our commitment to Youth is clear through the many projects and programs that Rotary supports. These cover the areas of Health, Human Values, Education and Self-Development. Some of the better known programs in the Self-Development area are:

- (A) Interact Clubs - These are clubs sponsored by Rotary for young people aged from 14 to 18. Currently there are 6,605 Interact clubs with 151,915 members located in 101 countries.
- (B) Rotaract Clubs - are also sponsored by Rotary Clubs these are composed of young adults between the ages of 18 and 30. Currently there are 6654 Rotaract clubs with 150,000 members in 146 countries.

In our District we have 27 Interact Clubs with a total membership of about 2700 members and 24 Rotaract Clubs with a membership of about 1400. These are our partners in service, our future members and also our future leaders. Like our children they need to be guided and supported. When a Rotary club sponsors an Interact or Rotaract Club it is the club's responsibility to watch and support them. This responsibility is on going and does not end at the end of any Rotary year. As a President

you inherit this responsibility and have to ensure your club is giving full support and guidance to your clubs. Please do not take this responsibility lightly. Make sure you appoint a Rotarian in your club to be responsible for monitoring your Interact and Rotaract club. Encourage your Rotarians to take an active interest in the projects of your Interact and Rotaract Club-do it especially during the month of September and through out the Rotary year.

Youth activities is a very important part of our district and it is for this reason I have appointed IPDG Anthony Hung to be the Youth Service Chairman. Please read his report for an update on the Youth Activities in our district.

Another important Youth activity we support in our District is the Rotary Youth Leadership Award. Please read the report on RYLA by CP Herbert Lau. Nominations are now being invited for the RYLA Camp and Group Study Exchange (GSE) "Outbound" team. Please inform your members to help find suitable participants for these events.

On the future leadership of District - Please find relevant information with regards to eligibility, qualifications and duties included in this letter. Please do not hesitate to contact me if you need more information or have nominations to submit. The closing date is 1.00 PM Saturday, November 30th 1999.

Once again there is another major disaster with a large loss of life and property. This time it is in Turkey. Rotary International has just issued a Notice of Disaster on this latest tragedy which will allow Rotarians worldwide to contribute towards the relief

efforts. More information on this will be passed on to you as soon as it is available.

Rotary Foundation Seminar - as you are no doubt aware we have scheduled our Rotary Foundation Seminar on Saturday, September 18th at the Holiday Inn Golden Mile, Tsimshatsui Kowloon. Registration will start at 8.00 AM and the seminar will end by 3.00 PM. RI's Regional Rotary Foundation Coordinator (1998-2000) PDG Ir. John Cheah (District 3310) will be attending this seminar. Host Club organizing committee chairman IPP Christopher Tsang (RC of New Territories) will be sending you the registration forms in due course. Please mark your calendar and encourage your members to attend. This will be a good opportunity for them to learn more about our Rotary Foundation.

Lastly I would like to bring your attention to our District Website which is now in full swing. At last login I have noted that we already have 9 clubs from the Hong Kong area and 1 club from Macau with their own web page linked to our District site. If your club has still not yet decided on creating a web page I think it is time you made this move. Rotary 2000 will see most of our communication through the Internet and you will need to be prepared for this. You can contact our District Webmaster William Benter to get more information on this.

Yours in Rotary,

Dipo C. Sani

親愛的扶輪領袖，扶輪 2000 的社長：

任何機構都會認為青年生力軍是未來的重要支柱，國際扶輪亦不例外。因此，每年的九月，特別指定為「新世代月」。在這個月內，我們鼓勵大家集中注意力在 30 歲以下的青少年身上。

扶輪倡辦了不少項目和計劃，對青少年的關注，路向非常明確。範疇包含了健康衛生方面、人類價值方面、教育和自我發展等等。而較為眾所週知的自我發展計劃，有下述兩個：

(甲) 扶輪少年服務團

這個由扶輪社輔導和贊助的組織，專為 14 至 18 歲的少年而設。現在，全球有 101 個國家的扶輪社組織了 6,605 個少年服務團，團員約有 151,915 人。

(乙) 扶輪青年服務團

也是由扶輪社贊助和輔導的，對象是 18 至 30 歲的青年人。現在共有 146 個國家的扶輪社，輔導了 6,654 個青年服務團，團員約有十五萬人。

我們的地區，現在共有 27 個少年服務團，團員 2,700 人；24 個青年服務團，團員 1,400 人。他們都是大家的服務夥伴，我們的未來新血，未來的領袖。就像我們的孩子一樣，他們需要指導和支持。當一個扶輪社決定了贊助和輔導一個少年團或青年團之後，就必須要負起責任去全力支持和

指導。這個責任是持續不斷的，不會因為扶輪年度的終結而停頓下來。請不要看輕這個責任，必須指定一名社員專責照顧這個少年團或青年團。鼓勵你的社員積極參予少年團和青年團的活動，不單止集中注意力在九月份，整個扶輪年度也要貫徹始終。

青少年活動在本地區佔有一個相當重要的份量，因此，我特別委派了洪宏道前總監出任青少年活動的主委。請參閱他對本地區青少年活動計劃的專文報導。

另一項重要的活動就是扶輪青少年領袖獎勵計劃 (RYLA)，主任委員劉敬恆前社長將會有專文報導。此外，團體研究交換計劃 (GSE) 外訪團亦已開始接受提名，請通知大家去物色合資格的人選。

下一年度的地區總監人選亦已開始接受提名，有關的資格要求、職務大綱等等，已在本期通訊內刊登。假如需要更詳細的資料，歡迎直接向我查詢。提名表格亦請於 1999 年 11 月 30 日星期六下午 1 時正或以前送交我的辦公室。

不幸的事情再次來臨，今次是土耳其發生了大地震，造成大量人命傷亡和財產損毀。國際扶輪已發出了災難緊急呼籲，請全球社員募集賑災物資。當我獲得更詳細的情況後，會在第一時間向

大家通報。

扶輪基金研討會一相信大家早有所聞，扶輪基金研討會已定於 1999 年 9 月 18 日星期六假座九龍尖沙咀金域假日酒店舉行。當日早上 8 時開始報到，預計大會可於下午 3 時結束。國際扶輪基金地域協調員 (1998-2000) 第 3310 地區前總監謝錦龍 Ir. John Cheah 將會蒞臨指導。地主社 (新界社) 主任委員曾兆淮前社長已向大家發出了報名表格。請緊記發動社員踴躍出席，因為這是一個理解更多關於扶輪基金的好機會。

最後，我想請大家注意，本地區的資訊網頁已經全面設立。上次我瀏覽時，看見香港方面有 9 個社，澳門方面有 1 個社已經設立了自己的網頁，並在地區網址上掛了網。如果你社還未設立自己的網頁，應該儘快行動了。扶輪 2000 年將會以互聯網為主要的通訊工具，你們一定要在這方面做好準備。如有需要，請隨時向本地區網站主委 William Benter 尋求協助。

你的服務夥伴

“And Who Touched You?” — A Report on Membership Development meetings Featuring Past RI Director Rick King

By PP Amy Ho, Secretary General for the Membership Development Intercity Meeting

Intercity Meeting- Membership Development
RIPD Rick King

Rotarians of District 3450 took up a topic urgent on our agenda and close to our hearts - how to grow and retain members. On August 26 some 162 ROTARIANS gathered in Macau, and in Hong Kong the next day a whopping 421 Rotarians turned out at the Membership Development Intercity Meeting, to discuss this very topic.

The meetings were coordinated and directed by PDG Vincent and graced by PRI Director Rick King whom,

on our District's invitation, came all the way from San Francisco to be with us on those two days. PDG Dom was Aide to PRID Rick throughout his stay in the District.

Past RI Director Rick King and his message

With his intensity for Rotary and his captivating oratory he made an extraordinary impact on everyone in attendance. Rick, besides serving in a myriad of capacities at Rotary in the past three decades is an incumbent Trustee of the Rotary Foundation and was General Coordinator, Membership Task Force, in Rotary Year 96/97.

Rick urged us to think of the people in Rotary who have touched us. Who introduced you to Rotary — who put you into Rotary? More importantly who put Rotary into you? Who called you to something higher than self? Who made you a true Rotarian? **Who touched you?** More than one person in Rotary may have touched you and inspired you. Rick in his speech related how someone touched him in Rotary. He was touched by an elderly gentleman who joined RC Prague when Rotary was a new and promising international movement in the youth of the Century. As fate would befall the country, successive forbidding totalitarian Governments drove RC Prague “underground.” Their members persevered and met in secret — for 42 years! These men believed in Rotary, its spirit and its deeds, and considered it their privilege to wear the Rotary Wheel. Rick, veteran Rotarian that he was when he met this gentleman, was deeply touched.

And *who touched you?* Rick asked. And more importantly — this year- *who will you touch?*

Rotary is being called upon more than ever before. There are ancient human ailments such as polio to tackle. So many children to teach. So many rivers to clean, forests to preserve. So many people to help. So much peace to be had! The demands on our resources in the coming Century will be more than ever in history.

The message is to help build the proud organization of Rotary. Make it your duty and honor to bring someone into Rotary. So this year — who will you touch?

Panel Discussion - from different angles

Panel and open discussions followed Rick's speech. A number of issues were raised and given animated discussions.

To lead in discussions in Hong Kong meeting a panel of six was gathered to share the reasons as to why they joined and stayed in Rotary. Panelists were carefully chosen to represent different angles on the subject: The Panelists were PDG Raymond Wong, Assistant Governor P.C. Fong, Pres. Jenny Kirkwood of Peninsula Sunrise the Club which refused to throw in the towel and proved itself. Brand new member of Golden Mile Rtn David Harilela talked about having to be ready to join Rotary because Rotary is about involvement. And we had a brave Panelist, a “deserter”. “Ex-PP” Charles Lam, formerly charter member of two Clubs, deflected any intended

interrogation by being constructive: he suggested that Rotary should create a new category of Associated Member for those who for reasons outside of their own control had to be transferred to a place where no Rotary Clubs meet - in his own case being transferred to Shanghai- so that the Member will still feel part of Rotary but given some flexibility for meeting attendance requirements. How that proposed category can be made distinct from or can build on the existing practice of taking a Leave of Absence can be further studied.

Membership Growth Opportunities - three areas

With that, discussions opened to the floor, which concentrated in three main areas seen by many to present growth opportunities.

- (1) China- Efforts have been made by individual Clubs in the District to lay the groundwork for eventual membership extension in the PRC. Apparently a clear strategy has yet to be worked out with RI. Vision and action is called for, as well as congenial cooperation from all concerned — united under the single purpose of serving Rotary.
- (2) Women members- still over a dozen of our Clubs does not have women in their membership. PRID Rick pointed out the cases of outstanding women Rotarians and indeed DGs. While Clubs and Rotary do not stand to gain by being exclusive of women, it is a fact that some people, especially those who joined Rotary a long time ago and are used to a certain way for things, are resistant to change. And

invitation of members is autonomous at the Club level.

- (3) Publicity on Rotary- This topic attracted the most discontent from members, at least in our District. The perennial complaint of course is that we get little media coverage and publicity for our good work done. How can we be effective in attracting new members if we are so quiet about ourselves?

This is one topic given considerable satisfaction by DG Dipo and Rick. The DG pointed out that the new concept of undertaking multi-year sustaining District projects should generate a lot more public interest and progress.

Rick went one big step further by showing us what RI has done for the first time in Rotary history. The Foundation Trustees, of which he is one, took US\$300,000 last year from the Foundation's investment returns and took out an advertisement in the popular USA Today - a five full-page ad telling the world what Rotary is about and the work that we have done. That was Rotary's first ever paid ad. Individual Clubs in the US were not slow to follow that example and advertised their own Clubs in the community. Every care was taken to appear professional and in good taste. The results in membership extension were significant.

Why Join Rotary? - A Survey

At the meetings, all Rotarians were asked to fill out a questionnaire and pick the 5 main reasons they joined Rotary. There were 20 reasons given. Here are the results. A rating of 1 means the most people chose that reason as one of the main reasons for joining Rotary.

What's your choice — are you among like-minded people?

Reasons	Macau Rating / HK Rating
1. Opportunity to Serve	1 / 2
2. Friendship (The above two reasons were picked by over half Of the respondents as the main joining reasons)	2 / 1
3. Personal Growth and Development	4 / 3
4. Citizen in the World (Note the international emphasis for Macau vs HK)	3 / 12
5. Leadership Development	5 / 4
6. Citizenship in the Community	8 / 6

Those were the top reasons the next group was cited by less than 20% of the respondents as the main reasons for joining. They are: To be with Nice People, Develop social skills, Fun, Develop public speaking, Business development, continuing education, Develop ethics, and cultural awareness. The rest of the reasons were each chosen by below 5% of respondents. They were: Assistance when travelling, developing vocational skills, Prestige, the absence of creed, entertainment, and family program.

Host Clubs

The great turn out at the HK Intercity Meeting was made possible only with the participation of the 8 host Clubs. They are RCs Hong Kong, Kowloon, Admiralty, Causeway Bay, Channel Islands, HK Island East, HK North East, and Kowloon North. A great thank you to these Clubs.

扶輪社會員發展研討會上甘剛先生談話內容撮要：

本人四年前曾到澳門，今日重臨舊地對各位的熱烈歡迎深表謝意。

基於本人在扶輪社的多年經驗，深知要尋找及招攬卓越人士加入是不容易的，這不單是扶輪社，其他的國際組織如獅子會等亦面臨會員消滅的嚴峻局面。會員是扶輪社最大的資產，扶輪社需要有傑出的會員來領導及去推廣，而推薦新會員是每個扶輪社社員的責任，我們應該尋找有優秀心靈質素的適當人選，而不是按照職業分類，我們應該吸引年輕人加入扶輪社。有關會員發展這方面，本人有以下的看法：

誰人聯絡 / 介紹 / 推薦您加入扶輪社？

作為扶輪社社員的益處很多：

1. 獲得更多的友誼
2. 幫助業務擴展
3. 增加個人成長及發展
4. 給予更多機會發展領導才能
5. 擁有更清晰瞭解社會狀況的社會公民權益
6. 透過參加活動獲得社會各層面，各階級及專業的延續教育
7. 分享聚會或活動中有趣的事
8. 增進公眾交談技巧發展
9. 可以參加分佈世界各地共三萬多的任何扶輪社的聚會或活動，享受世界公民權益
10. 享受扶輪社網絡帶來的在旅遊期間之協助
11. 獲取扶輪社聚會，展覽等等的活動所帶來的娛樂

12. 人與人間的交際技巧的發展
13. 透過家庭節目，如國際交換生等等計劃增進對家庭價值觀的瞭解
14. 幫助職業訓練及指導之發展
15. 幫助道德觀念發展
16. 在二百多個國家飄揚的扶輪旗幟下，社員可以獲得很大的世界各地的文化的醒覺性
17. 與世界各地，不同的專業，職位，階層人士共享成為扶輪社社員的威望
18. 擁有良好的人際關係
19. 人人平等，沒有秘密協議，亦缺乏公式化戒條
20. 給予服務社群機會

您將聯絡 / 介紹 / 推薦誰人加入扶輪社？

我建議每個扶輪社社員今年內聯絡 / 介紹 / 推薦一至三個人加入扶輪社，尤其是年輕人，裨能有更多的機會認識更多的朋友，組織更好的人際網絡。

「公開提問」的內容撮要：

1. 問：當社員數目正下降之際，到底是贊助一個新社成立好呢？抑或鞏固一個舊社好呢？
答：通常在贊助一個新社成立的同時亦會鞏固一個舊社。本人就有類似的經驗，為贊助一個新社的成立，我安排許多客人到自己的社。如是者，兩次之後，我社的社員由原來15 65人。我需要提醒大家就是社員要年輕化。

Intercity Meeting-Macau, August 26th 1999
Membership Development

2. 問：社員是一個社的最大的資產。但在很多時，卸任的社長都會以為自己的責任已完成，因而減少出席的次數。在這種情況，我們該怎麼辦？
答：給他們工作任務。例如社員增長，扶輪基金等等更高，更難的任務。
3. 問：減少例會次數是否有助社員增長？
答：我不這樣認為。照例，社員可以在自己的社出席60%，在其他的社出席40%。何況不一定要有100%的出席率才算是扶輪社的“好”社員。越嚴格要求的組織越能留住成員，要求成員投入。
4. 問：怎樣才算是扶輪社的“好”社員？高出席但少支持，抑或低出席但多支持？
答：兩者都需要。我們需要有人投入時間，提供服務。我們亦需要有人損獻。

YOUTH SERVICES CORNER

By Anthony Hung

September is the New Generation month which was formerly called Youth Activities month, all clubs in the District are urged to focus efforts on our youth especially young people under 30 and to undertake projects and activities that address the needs of our young people. Clubs with Interact and Rotaract Clubs should join in activities with them as they are our partners in services. We as Rotarians must hold up to the motto "Every Rotarian an Example to Youth".

Rotaract

WITH the experience we gained last year, we know that harmony within the District is vitally important for organizing successful District functions.

In order to provide an opportunity for Rotaractors to know each other better, the yearly District Conference jointly hosted by Rotaract Club of Channel Islands and Rotaract Club of Hong Kong Island East will be held on 25th and 26th September, 1999 in the form of a two-day-one-night camp giving emphasis on fellowship. Apart from ice-breaking activities, Rotaractors will also discuss and share ideas in respect of the programs in the World Rotaract Week 2000. Rotarians, especially Rotarian Advisors are cordially invited to the camp and give us their valuable advice.

World Rotaract Week is definitely the most important event of the year. Last year, the Rotaract District has successfully promoted a positive image of Rotaract to the public in Hong Kong and Macau through the Community Service Month. This year, we do want to follow the R.I. Theme, in particular one of the Cs, namely, Continuity by promoting Rotaract to places outside Hong Kong and Macau to China. Our organizing committee consisting of Rotaract Club of Hong Kong Island, Rotaract Club of Kwun Tong and Rotaract Club of University of Hong Kong has the preliminary idea of inviting Rotaractors and Rotarians all over the world to join us and form a delegation group to visit the university students in China and at the same time introduce to them the motto, the service and the organization of Rotaract. We hope that, to certain extent, we can help in the formation of Rotary and Rotaract Clubs in China in the future.

Interact

During last issue of the D.G. newsletter I informed

you about 3 events in August. This is a report on those events :-

1. The Interactors had a leadership training camp at Hong Kong Baptist Assembly (浸會園) in Ping Che, Fanling from 5/8/99 to 7/8/99. There were 35 Interactors attending the camp. During the camp, talk on young leaders was given by Mr. Wilfred Wong who was a leader in youth activities. IPDG Anthony Hung, PP Alexander Mak, Rtn Dominic Ko and Trn Grace Yen also attended the dinner, talent show and camp fire on 6/8/99.
2. The Interact bazaar this year was held on 14/8/99 at the Kowloon Park in Tsimshatsui. Apart from games in the stalls, there was also entertainment performances put up by the Interactors as well as by 趙學而. Many Rotary presidents turned up together with their fellow Rotarian members and their families. The Interactors had a good day of fun with these Rotarians.
3. Interactors from Osaka, District 2660 visited Hong Kong from 17/8/99 to 20/8/99. The delegation consisted of 40 Interactors, 8 Rotarians and 11 teacher advisors. On 18/8/99, the Japanese visited the Shau Ki Wan Government Secondary School and the Cheshire Home. A dinner party was organized that evening to welcome them and this was attended by about 50 Hong Kong Interactors, DG Dipo Sani, IPDG Anthony Hung and DGE John Wan. There was a cultural performance put up by the Japanese Interactors after that dinner. Our Interactors also jointed the visitors in their tour to the Ocean Park and all had a good time.

Commencing this Rotary year; all Interactors worldwide will celebrate the anniversary of the chartering of the first Interact Club at Melbourne High School Florida U.S.A on 28th October. As for Rotaract, the Rotary International Board of Directors have also designated the week of 28th as the World Interact Week.

This year, the World Interact Week runs from 25/10/99 to 31/10/99. In order to recognize the efforts of both Interact Clubs, as well as their sponsoring Rotary Clubs, in celebrating this important occasion, the RI has now designed a 'World Interact Week Celebration Recognition Entry Form' all Interact Clubs and their Rotary sponsors will receive recognition from RI if they complete all four of the following activities in honour of World Interact Week 25-31 October 1999.

1. Giving a presentation or writing an inspiring letter about Interact to a Rotary Club that does not sponsor an Interact Club;
2. Inviting Rotarians to an Interact Club meeting;
3. Inviting Interactors to a weekly Rotary Club meeting;
4. Conducting a joint Rotary/Interact project to increase awareness of Interact.

You will notice that the aforesaid activities focus on the promotion of Interact among Rotarians and the establishment of better understanding between Interact Clubs and their mother clubs, culminating in working together in joint projects to promote Interact awareness in the society. This is very worthwhile indeed.

Copies of the World Interact Week Celebration Entry Form has been sent to all Clubs Interact Advisors.

In our District we have not done a lot on Youth Exchange and the criteria are not well known to the Rotarians.

Rotary's Youth Exchange program is open to young men and women, generally between the ages of 15-19, the sons and daughters of Rotarians and non-Rotarians alike. Applicants are selected by a sponsoring Rotary club on the basis of a written application and a personal interview. Qualified applicants are academically above average, articulate and demonstrate community leadership skills.

There are two principal types of exchanges :-

1. Long term exchanges; usually last for an academic year, during which the student lives with more than one family and attends school in the host country.
2. Short term exchanges; vary from several days to several weeks. They often take place when school is not in session and usually do not include an academic program. Short term exchanges usually involve a stay with host family however they can also be organized as international youth camps, which bring together students from many different countries.

Exchanges can occur between any two countries in which there are Rotary clubs. Rotary clubs in approximately 65 countries and regions annually sponsor or host Youth Exchange students. An orientation program for students and their parents is provided by the sponsoring Rotary club while the host Rotary club provides support and guidance on the receiving end of the exchange.

While room and board for the exchange is provided by the host family, the student and his/her own family assume certain financial obligations. These include round-trip air transportation, clothing, health insurance, and incidental expenses (pocket money) for the student. For the long term exchanges, the host Rotary club will provide a modest monthly allowance and usually pays the student's tuition for all required academic programs.

Continuity 繼往開來篇(之二)

Multi-Year Projects 服務計劃可以跨年期嗎？

By Governor-Elect John Wan 溫頌安 (候任總監)

Governor Dipo always stresses the importance of continuity in his speeches to Rotary clubs during his Official Visits. He would ask Rotarians to recall the number of occasions their club leadership had abandoned projects initiated by their past leadership in order to start theirs, only to find out at leisure that theirs were put aside equally unceremoniously by their successors. True, I recall the many agonizing hours I spent listening to debates on whether to take up projects that straddle two or more presidencies. Some quoted chapters and verses from Rotary literature while others cited examples from past practices in or outside the District to support their respective points of view. Not surprisingly, often the Board would rather err on the conservative side, resulting in worthy and meaningful projects being left on the wayside, often forgotten and never to be picked up again. All these would change from now on," Governor Dipo assures us, and one hopes that will be the case.

But this will be the case. Indeed it must be the case if we are to continue to live up the Rotary ideal of "Service Above Self", provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the

world. As our world leader Carlo Ravizza has said, achieving continuity requires a great and meaningful change in attitude. It means respecting the programs of our predecessors and working as a team with our successors. This is precisely what your district leadership have been doing. All of us now work as a team. We have only one objective, which is to put more Rotary in the District membership, and we are determined to succeed. We are conscious that it means hard work, it means accountability and openness, it means putting away our ego, and above all, it means trusting and supporting each other. To some people, this may appear to be a fundamental change. It may well be, but we believe it will be a change for the better, and more importantly, we are not changing for changing sake. We believe that this attitude change will help foster continuity in the District, and we hope that the membership of the District will copy. After all, I would like to believe that most of us have joined Rotary because of the ideals Rotary stands for. These ideals have motivated generations of Rotarians to serve their fellow human beings generously and with humility, and which have made them credible people along the way. It would be wrong to abandon them for worldly and other unworthy motives.

Looking back, our District does have fine examples in clubs which have been carrying on multi-year projects, and very good projects too. At the risk of being invidious, I would mention a few. We have Admiralty sponsoring the Outstanding Disabled Persons Award, New Territories

sponsoring awards to recognise students who made the most progress, Hong Kong Harbour continuing with their support for a resource centre for mentally handicapped children in Tuen Mun, Kingspark Hong Kong working with the Spina Bifida Children Support Group, Tolo Harbour sponsoring drama competitions among youths, and many others, not forgetting the many Rotaract and Interact clubs being sponsored by clubs in Hong Kong and Macau. Many of these projects and programs have been designed for children and young people and thus take on a particularly special meaning in this New Generations Month. Long may these clubs continue with these meaningful projects.

Governor-Elect John Wan
溫頌安 (候任總監)

在巡迴訪問各社的時候，辛迪寶總監往往在他的演說當中，強調「持續」的重要性。他請座上的社員反思一下：現屆的領導，會否出於自己的方便，不問情由地終止了前屆定下的服務，另闢新項目；而下屆又「以彼之道，還施彼身」。究竟這種情況，是否經常發生呢？真的，記憶所及，我曾經虛耗了不知多少個小時，無奈地聆聽正反兩方的爭論：服務計劃可以跨越兩屆或多屆社長的任期嗎？有些從扶輪文籍中引經據典，有些列舉區內或者區外的實務例子，各自找出理據。毫不意外地，社的理事會往往會傾向較為保守的決定，不管服務計劃內裏蘊含的意義如何，一於放置一旁，甚至束諸高閣。「這些現象，由現在起應該要消失了！」辛迪寶總監向大家肯定地說，說得非常的認真。

這一次是「認真」的，事實上，如果大家要繼續奉行扶輪的理念：「超我的服務」，為人道請命、提昇行業的道德準繩、協力建立一個友善與和平的世界，就一定要「認真」地處理上述的爭論。我們的全球領袖賴唯捨說過，大家必須盡最大的努力，正面地改變態度，著力去建立「繼往開來」的風氣。換言之，就是要尊

重前任釐定的計劃，用團隊的精神，與繼任者貫徹下去。現任的地區領導人正實踐著這個準則，我們每一個人的工作都無分彼此的。我們的宗旨只有一個，就是決定加強大家對扶輪的理念，這個理想一定要達到。我們知道：這表示了要付出更大的努力；這表示了問責性；這表示了要態度開放；這表示了要放下自我；不單如此，這還表示了要互信和互相扶持。

對於一些朋友來說，這等如是要徹底改造。這個可能是，但我相信是變得更好。更重要的是，我們不是為了求轉變而改變。我們相信，把舊取向改變了，絕對有助於地區的持續發展，我們亦希望可以成為大家的榜樣。不管如何，我確信大多數人是為了贊同扶輪的理想而加入扶輪。這個理想，已經鼓動了一代又一代的扶輪人，義不容辭地為人群謀幸福，並漸漸地讓自己成為了富有公信力的一群。如果是為了物質回報或者是基於其他不良動機而把扶輪握殺了，實在是非常的錯誤。

環顧區內，好的例子，俯拾皆是。許多個扶輪社開展的服務計劃，不單是跨年期的，而且都是非常有意義的。雖然擔心有人指責我偏私，

我仍然希望列舉幾個例子，讓大家印證一下：

《金鐘社》主辦傑出殘障人士獎勵計劃；《新界社》主辦新界區學生進步獎；《香港海港社》持續地贊助屯門區一個弱智人士資源中心；《港京社》與 Spina Bifida Children Support Group 攜手合作；《吐露港社》十一年來，每年均公開舉辦話劇創作比賽；當然還有多個扶輪社在香港和澳門兩地輔導了數十個少年服務團和青年服務團；而當中許多個計劃，對象都是我們的新一代青少年。適逢九月份是扶輪的「新世代月」，在此跟大家分享一下，實在饒有意義。但願這些服務計劃，可以保持著繼往開來的精神，努力不懈。

NEWS AND ACTIVITIES IN HONG KONG AREA 1

(By A.G. Louis Thomas Tong Ming Sz)

District Governor's Official Visits

This has been a busy period for the clubs in this area starting with the District Governor's Official Visit to **Admiralty** on July 23rd, a well attended event and highlighted by the dignified induction of a new member.

The evening of the 29th July saw **Queensway's** Official DG Visit and Victoria's at lunch on 9th August. Both had good attendance and hearty fellowship (see pictures in this and the previous Newsletter).

Community Service

Over the last four years, the Rotary Club of **Queensway** has provided Hepatitis B inoculation to over 30,000 children under three years of age, the majority of the new born babies in Kai Feng City of Henan Province. This has boosted the vaccination rate of Kai Feng City from 25% to over 95%. Since the beginning of the year 1999/2000 the Club has been planning to extend this scheme to cover all counties in Kai Feng City. With the support of the Ministry of Health in China they also plan to extend the project to another rural city known as Heze in the southern part of Shangdong Province.

Victoria Rotarians took to the entrances of MTR in Central on Saturday 14th August to sell for the Ronald McDonald's annual Flag Day. Returns are not yet known.

Quarry Bay Rotary Club have given preliminary but very serious consideration during this period to a project to provide access for the Cheshire Home to its roof Garden.

Wanchai and have been very busy of late putting together their annual fund raising Gala Film Premier to be held later in the year. Any club that has ever held one of these events will know the amount of work involved in getting it right.

Fellowship

Early August saw the Rotary Club of **Wanchai** over at the Kowloon Cricket Club enjoying new Rotary year fellowship with a pool side party. Unfortunately the weather was not too friendly and it was necessary to retire to the copious interior of the clubhouse.

On Thursday 19th August a joint evening meeting hosted by **HK South**, with its sponsored club **Quarry Bay** and fellow HK Group 1 neighbor, **Queensway**, and many spouses and guests. Also present was Mr. Ravi Lulla MA, a medical and Psychiatric Social Work Counselor, who spoke on "How to talk to your children so they will listen". Much of his disquieting revelations about drugs, yet fascinating advice, centered around his work counseling students and parents associated with Hong Kong schools, including the international ones. For a transcript of his main points see the **Hong Kong South** Web Page and the reason for the next paragraph!

Cyber World

We can't get away from it.... The Cyber world has come to Hong Kong District 1 to stay. To read about grandfather, the Rotary Club of **Hong Kong**, grandchild, **Quarry Bay** and aunt, **Hong Kong South**, go to the District Site at <http://rotary.org.hk> not only for Hong Kong Area 1 but also for the other club web sites in this district. Referring back to the previous paragraph ... you can use these links to check on Mr. Ravi Lulla's main points on the drug problem and talking to your sons

and daughters. Lets have some more sites; apparently it's not that difficult.

Membership!

Finally we must hear of a bold initiative by President Beat of the **Hong Kong** Rotary Club. Heeding International's guidance to involve and commit every Rotarian in activity, Districts' concern for membership development and the difficulty of shrinking memberships to reverse the trend, Beat has a plan. During this Rotary Millenium Year each member of the **Hong Kong** Club is being urged to introduce and propose one new member.

This of course could result in a 100% growth for RC of **Hong Kong**, which might not be such a great idea. However the thought is that many of such a large inflow might be more challenged in joining clubs in the District with less Rotarians and possibly more conveniently located meeting places for their individual circumstances. This could be a boon to not only a few clubs in this area but also to many in the District. Since you will be reading this after the Membership Development Inter City Meeting on 27th August it will be interesting to compare it with those ideas that emerge from the meeting.
