Governor's Message

Dear Fellow Rotarians and Friends,

Two Rotary events took place on 26th January, the District Interact Conference and District Soccer Tournament. Due to a dinner appointment, I could only attend the kick-off ceremony of the District Soccer Tournament, which was an event of fellowship and excitement.

The District Interact Conference of the 37th Joint Interact Council was held at the La Salle College. It was attended by approximately 200 Interactors, in addition to Rotarians. Among them were PDG Joseph Lee, DGE Gloria Chan, DGN Jones Wong, PP Vincent Ng, PP Kenneth Chow, President Grace Yen and myself. Programs were well arranged, while meaningful sessions with appropriate speakers being organized. All these were done by high school students, who have

definitely shown MANKIND IS OUR BUSINESS.

Another two Rotary events were programmed on 2nd February. A Smart Living Youth Forum was held in the morning at the Hong Kong Convention and Exhibition Centre. The Forum was organized by Rotary International District 3450 and the Hong Kong Youth Institute. Mrs. Carrie

Lam, JP, Director of Social Welfare, HKSAR, was the Guest of Honour. It was a good opportunity to enhance Rotary's public image not only among the students, but also among their parents. In the evening, I attended a prize presentation of the District Tennis Tournament.

The Rotary Youth Leadership Award was held at Pak Tam Chung, Saigon on 22-24 February. About 100 youths were trained for three days in the camp. Besides training, they also enjoyed fellowship among

*From 1 July 2001, District 3450 comprises 49 clubs, 42 in Hong Kong, 6 in Macau and 1 in Mongolia. This Governor's Monthly Letter is issued to presidents, secretaries and directors of clubs and District officials. It is also available on the District Website: <http://www.rotary.org.hk> from where readers can access photos of club and district activities at the District Album. PP Parry Poon is Managing Editor. themselves. While attending the closing ceremony on Sunday, I found every rylarian was in good mood, high spirit, proud of being trained to be future leaders. One of the female rylarians, N. Uyanga, was sponsored by the Rotaract Club of Ulaanbaatar. In addition to receiving good training and enjoying fellowship, she has become the first rylarian of Mongolia. The camp was absolutely successful because of excellent venue, super training leaders and proper planning. I am sure the training has benefited these enthusiastic and energetic youths, hoping that they will reward back to Rotary by becoming members of this international organization.

The District Team Training Seminar was held on 23rd February. The event coincidentally took place on the 97th birthday of Rotary International. It was pleasant to note that about ten Regal presidents have been appointed incoming district officers by District Governor-Elect Gloria. A number of incoming officers are current officers. It was a surprise to see a past president from the Rotary Club of Ulaanbaatar, Mongolia, Ch. Ganbold, who is

my Special Representative to the Rotary Club of Khuree as well as the incoming Assistant Governor for Area 9. He told me that the only reason for coming to Hong Kong is for the training of assistant governors. The fact shows that a dedicated Rotarian will keep his or her commitment, not to miss a mandatory training because MANKIND IS OUR BUSINESS.

The week in which 13 March falls has been designated as the Rotaract Week. Rotaract clubs emphasize the importance of individual responsibility as the basis of personal success and community involvement. Each club is required to complete at least two major service each year, one to serve the community and the other to promote international understanding. A Rotaract club can exist only when continuously sponsored, guided and advised by a Rotary club. To celebrate the World Rotaract Week 2002, the District Rotaract Committee is going to organise a Sports Day called ROlympic on Sunday, 10th March 2002 at the Shatin Sports Ground.

The 42nd District Conference of District 3450

will be on 16-17 March. Up to the end of February, there is a total of 391 registrants. Another 80 participants are required to reach the target set by the Conference Organising Committee. In fact, Chairman Kenneth began organizing this conference since May 2001. He has called many formal and informal meetings, sending out numerous emails to Regal Presidents, Assistant Governors, District Secretaries regarding the conference, arranging pre-conference Golf Day and Cruise Event. PP Kenneth also made promotion in person at Joint Presidents' Meetings, etc. He has fully utilized every opportunity to promote the conference, which I am sure will be one of the best conferences ever held by District 3450. After all, we need the support from all Rotarians. You may be glad to learn that several Rotarians from Mongolia will attend the conference. Fellow Rotarians, come to show your appreciation to the marvellous job done by the Conference Organising Committee, and also to show MANKIND IS OUR BUSINESS.

Talk to you again.

Thoughts of the Governor Elect

候任區總監感言

A remarkable experience from Anaheim, USA- at the International Assembly where Governors-elect and their spouses from all over the world get their training and get to know as many counterparts as possible from 162 countries. That was some stunning interaction among people with hearts and enthusiasm to serve mankind, beyond the boundaries of race, religion, gender and political ideologies. It was almost liked a dream-like state of utopia- that these people from such different background congregate to share, to learn and to strategize for the betterment of humanity.

Yes, indeed as some of our Past District Governors told me, I would make life-long friends as we all shared a most unique and cherished week there. I left the Assembly feeling a million dollars and more, richer in every sense, brimming with ideas and dreams to share with my dear Rotarians in my own District, and the possibilities of the unthinkable....

The leader of the Assembly was of course the incoming Rotary International President-elect, Bhichai Rattakul. With very different style from the present RI President Richard King, he conveyed his beliefs and hopes for Rotary in an equally inspiring way. As he was delivering his speech on the theme of 2002-2003 "Sow the Seeds of Love", our emotions flowed on from feeling extremely proud of the organization and being a part of it, to the moved sentiment of enabling a change for the better in so many people's lives, to the enormity of the bulk of work waiting for us, Rotarians, to tackle and the ultimate strong wish and belief to go out and continue working on what we believe in. I have never witnessed so many grown men and women wiping tears from their faces, moved and being motivated at the same time.

Five days after my return, the District Team Training Seminar Chairman, PP Dr. PC Fong of RC of Peninsula South and his very capable

committee, under the guidance and planning of our District trainer, PDG Y K Cheng, together with the other training leaders, conducted the seminar for all the Assistant Governors, District Secretaries, all the District Committee Chairmen and Sub-committee Chairmen, as stipulated by the RI as mandatory. Feedback from the participants considered this as something precious and enjoyable to learn and share with other District leaders.

Now the training/learning cycle has started--- these leaders are going to share and impart their knowledge and experience at the Presidents-elect Training Seminar on 9 March and the District Assembly on 20 April, all for the preparation of future leadership... and the torch of Rotary is carried on...for almost a hundred years now!

From the Governor-elect,
Gloria Chan

區總監的話

各位社友：

2002年1月26日有兩項扶輪活動同時舉行——「扶輪少年地區年會」及「地區足球賽」；「地區足球賽」是一項充滿聯誼和刺激的活動，鑒於時間所限，我只能出席開球禮。

由第37屆扶輪少年服務團聯席會議主辦的「扶輪少年地區年會」，在喇沙書院舉行。除了李宗德前區總監、陳麥憫斌候任區總監、王仲熹區總監提名人、吳偉明前社長、周育誠前社長、嚴中明社長及本人等扶輪社員外，尚有近二百位扶少團團員出席；當天完全由扶少團團員負責，他們都只不過是中學生，但節目及講者安排妥善，充分表現出「服務人類是我們的事業」精神。

2月2日有另外兩項扶輪活動舉行。早上，在香港會議展覽中心舉辦了「青年論壇」暨「禁毒宣傳短片比賽頒獎典禮」，由本3450地區與香港青年學院合辦，香港特別行政區社會福利署署長林鄭月娥太平紳士任主禮嘉賓；這是在學生以至家長之中，促進扶輪公眾形象的大好機會。晚上，我又出席了「地區網球賽」的頒獎禮。

本年度的扶輪青年領袖獎勵計劃於

2月22至24日在西貢北潭涌舉行，大約100位年青人參加了為期三天的訓練營，同時切磋砥礪，增進友誼。就我出席星期日的閉幕儀式所見，每一位扶青領袖都情緒高漲，意氣昂揚，以能參加受訓為榮；其中一位女扶青領袖Uyanga，來自烏蘭巴托扶輪青年服務團，成為蒙古第一位扶青領袖。這次訓練營無論場地、負責的訓練員、以至訓練計劃都非常突出，計劃極為成功，深信這批精力旺盛，熱情有嘉的青年一定大有裨益；但願他們將來可以回饋扶輪，成為這個國際機構的一份子。

地區領袖訓練研討會於2月23日舉行，當天正好是國際扶輪的97歲誕辰，我樂見陳麥憫斌候任區總監委任了約十位現屆社長及多位現屆地區職員為下屆地區職員；而更令人驚喜的是今屆富倫扶輪社的總監特別代表——蒙古烏蘭巴托扶輪社甘寶前社長，以候任第九分組副總監身份專程來港受訓，出席是次研討會；這說明了一位真正具備「服務人類是我們的事業」精神的扶輪社員，是會信守承諾，不會錯失任何一個既定的受訓機會呢！

3月13日的一個星期是扶輪青年

週。扶輪青年團強調個人責任感的重要，因為個人責任感是成功及服務社會的基石。每一扶青團都需有一個扶輪社來輔導、指引和贊助，才能存在；每年都需要完成至少兩項主要服務——一個為社區服務，另一個增進國際瞭解。為了慶祝2002年的世界扶青週，地區扶青委員會於2002年3月10日（星期日）舉辦了一個名為ROlympic的運動日，地點在沙田運動場。

本3450地區第42屆年會將於3月16至17日舉行；至二月底為止，共有391人報名，距籌委會所訂目標尚欠80人；早在去年五月，籌委會主席周育誠已著手籌備，他開了無數正式或非正式會議，對各社長、副總監、區秘書等發出數不盡的電郵，安排高爾夫球日及海上暢遊等會前活動，親到社長聯席會議推介等，盡用了一切方法宣傳，相信成功可期；不過歸根究底，我們需要全體社友的支持，多位蒙古社員也已報名出席，我相信你一定會讚賞籌委會竭力的精彩安排，請盡早報名支持，表現「服務人類是我們的事業」。

下回再見！

37th District Interact Conference

第三十七屆扶輪少年地區年會

26.01.2002

The 37th Annual District Interact Conference was held on the 26th of January 2002 (Sunday) at La Salle College. The aim of the Conference was to mark the completion of the work of the previous year Joint Interact Council (JIC) and Interact Presidents, also to inaugurate this year's 37th JIC and Interact Presidents. We were pleased to have invited DG Johnson Chu, DGE Gloria Chan, DGN Jones Wong, New Generation Coordinator PDG Joseph Lee, DICC Vincent Ng, DDICC Grace Yen, Rotarian Dominic Ko, Rotary District Conference Chairman PP Kenneth Chow as our guests. Together with around 170 Interactors, the attendance of the Conference reached almost 200.

The Conference began with an opening speech by DG Johnson Chu, followed by the address of PDG Joseph Lee, DICC Vincent Ng and IPDIR Ian Wong. The Conference continued with an Inauguration and Prize Presentation Ceremony. This ceremony provided recognition to the tremendous effort and prominent achievements of 00-01 JIC and Interact Presidents. After the inauguration, certificates and pins were presented to all Best Interactors, showing the gratitude towards their active participation in the previous academic year by the newly formed JIC and Presidents.

This year we were greatly honored to have invited Mr. Lee Hing Fai, JP Deputy Director of

Education Department as our keynote speaker. Mr. Lee gave a speech regarding the direction of education in the future and also the importance of extra-curricular activities such as services to teenagers and the community. The speech was inspirational and encouraging. Utmost appreciation was shown to Mr. Lee by a

resounding applause and a speech of thanks by District Interact Conference Chairperson Bonny Tam. The Opening Ceremony ended with DIR Charles Hui leading all guests and Interactors singing the Interact Song.

After the Opening Ceremony four workshops were prepared for all guests and Interactors. Guest Speakers from different sectors of the society were invited, including Ms. Ho Kim Fai, Executive Director of Hong Kong Sports Association for the Mentally Handicapped, giving a seminar on

Sportsmanship. Dr. Winton Au Wing Tung, Professor of the Dept. of Psychology of Chinese University, lecturing about Psychology and Youth. DGN Jones Wong discussing on Rotary Service and Social Worker Mr. Daniel Cheng Yuen Ho, giving a speech regarding Youth Service. The workshops lasted for an hour; many Interactors had shown great enthusiasm and raised many questions in the afterwards Group Discussion Session. After the workshops, moving a step outside the lecture halls were the Board Exhibition, displaying descriptions of activities from various member schools. All together 15 boards were demonstrated, refreshments were also served after the exhibition. Finally, the District Conference ended at 13:30 successfully.

Without all the tremendous support from our advisors and Interact helpers, the District Interact Conference could never have been so successful. Therefore on behalf of the 37th Joint Interact Council, I would like to show my utmost appreciation to DICC Vincent Ng, DDICC Grace Yen, Rotarian Dominic Ko for their invaluable guidance and advice. I would also like to give thanks to all sponsors for their generous support. In addition, I would like to further thank all Interactors and helpers in the District Conference, for their precious effort and help.

Rotary Youth Leadership Award (RYLA)

扶輪青年領袖獎勵計劃

1st Stage 15.12.2001

2nd Stage 22-24.2.2002

3rd Stage 4.5.2002

The RYLA Organizing Committee, which was headed by Chairman PP Dr. Charles Cheng and Youth Generation Co-ordinator PDG Joseph Lee as well as Advisors PP Herbert Lau, DGN Jones Wong, PP Louis Thomas and Host Club President Ramesh Chugani, met on a regular basis to give shape to a perfectly organized RYLA 2001-2002 Camp.

The RYLA 2001-2002 theme, which was chosen to go along with The RI theme of "Mankind is our Business", was "Youth is our Business" and the three-stage programme was well planned.

The First Stage - a fundamental Leadership Orientation Seminar entitled "Leadership in the 21st Century" - was held at the Tower Club on 15th December 2001 (Saturday) to introduce the aims and targets of the RYLA programme. Our guest speaker was Dr. Howard Cheng from the Department of Social Sciences, Hong Kong Polytechnic University, whose presentation was entitled "How Young People Can Nurture Leadership Potential in the New Century"

The Second Stage of the programme was a 3-day, 2-night camp held from 22nd - 24th February 2002 at Adventure Corp. The 3-day programme had been very well planned, with action training and interaction between groups and individuals,

On Day 1, the 39 male and 68 female trainees, together with the 14 volunteers, were picked up by three buses which took us to High Island Training Camp in Sai Kung in time for our scheduled start of 10.30 am. After the welcoming address and RYLA flag hoisting ceremony (which was held every morning), 4 teams were formed, dormitories were allocated and everyone participated in ice-breaking games.

The Training exercises began in earnest after lunch with Training Circuit A (Parts I & II). Since the group was large, it was divided into 2 sections alternating between The Elementary Map Reading/Orienteering Exercise and the Radio Voice Procedures and exercise. There was no doubt that trainers and volunteers alike enjoyed taking part in these exercises.

After an early dinner, there was a night walk followed by a debriefing and review of the day's activities. The first day at Camp had been so full of activities that everyone was quite tired, but happy.

Day 2 began early with a 6.00am Reveille rousing us for the RYLA flag hoisting ceremony and a sightseeing trip to East Sea Coffe Dam, High Island Reservoir, where a "Stretcher" Race was held before heading back to Camp for breakfast and the start of Training Circuit B (Part 1) at 9.00am.

Teams rotated around 4 "stands" - Rock Climbing/Abseiling; Command Tasks; Drill Practice; and an Introduction to the Obstacle Course - each of which lasted 1 hour.

After lunch, Training Circuit B (Part 11) continued, followed by preparation for the field training and departure at 5.00pm for the field training area where team bases were set up and dinner prepared. That evening they camped outside and since they had to be up early the following morning, probably only slept for about 2 hours.

Day 3 - the teams were collected at 7.00am and were debriefed on the field training prior to breakfast, after

which there were potted sports and an inter-team obstacle course competition. It was obvious through these games, that they learned quite a lot about leadership skills and getting along with other team members.

We were joined during the day, by Rotary District officials who watched the competitions and were very interested to see that the Campsite was the ideal location for such training. The camp ended with an evaluation and closing address. It was evident from the comments were heard from the Rylarians, that the RYLA camp was quite a success and that they wished that the camp would not end just yet.

During the camp, Rylarians had been asked to choose one leader per team and at the end of the day, each team submitted their leader's name. We had a short discussion with the team leaders as to what would be their next project in order to qualify to win the best Rylarian award and attend the R.I. Convention in Barcelona in June.

The Third Stage of RYLA 2001-2002 will take place at Tower Club on 4th May 2002 at 3.00 pm.

ROTARY BLOOD DONATION DAY**扶輪捐血日**

13. 01 . 2002

In order to promote a positive IMAGE OF ROTARY in the community, the Rotary Club of Macau proposed a joint project with the participation of all the Clubs in Macau, to donate blood to the Macau Blood Transfusion Center.

Therefore, the Rotary Club of Macau, the Rotary Club of Hou Kuong, the Rotary Club of Macau Central, the Rotary Club of Guia and the Rotary Club of Macau Islands joined efforts to organize the ROTARY BLOOD DONATION DAY, which was held on Sunday, 13th January, at the LEAL SENADO SQUARE. Rotarian Fatima Ferreira was appointed Chairperson for this project and DS Domingos Chang and Synthia Chan were Masters of Ceremony.

District Governor Johnson Chu officiated the opening ceremony, together with Dr. Lei Chin Ion, Deputy Director of Macau Health Services and Dra. Hoi Peng, Director of Macau Blood Transfusion Center. Also present was AG Luis Lui and the Presidents of five Rotary Clubs.

There were many performances by artists from Macau and Hong Kong and the shows were good enough to attract a large audience.

It was a great success, with a total of 110 people registered for blood donation! Of this, 88 actually did donate their blood but the remaining 22 could not, either because of anemia or underweight.

The Director of Transfusion Center was so happily surprised with such a good response that she suggested us to do this again next year.

The media gave us a very good coverage, as this event was in the Chinese and Portuguese papers in very detailed articles with photos, and also in the TV news, in both channels.

"Smart Living" Youth Forum cum Anti-drugs Video Competition

「活得有型」青年論壇暨禁毒宣傳短片比賽

Saturday, 2 / 2 / 2002 星期六

Department of Social Work, CUHK, was invited as the moderator. The panelist included Prof. Lee Shiu-hung, SBS, JP, Chairman of Action Committee Against Narcotics; Mr. Chan Shun-chi, Peter, Outstanding Young Person of Hong Kong, 1987; Mr. Shiu Yau-hung, Chinese YMCA of Hong Kong Shau Kei Wan / Chai Wan Outreaching Social Work Team Leader; and Mr. Wong Wing-fai, Samuel, Outstanding Anti-drug Worker (Gold Award). The topic for discussion was the psychological aspect of drug abuse among youths. Some of the points they raised were as follows:

1. The major reason for using drugs was peer-group pressure. The most dangerous age for using drugs was during their secondary school days. Most of the people would not use drugs after their teens.
2. For preventive measures, education and concern of parents were the two best ways to reduce drug abuse.
3. Not only the Government and the anti-drug organizations, but also the love and care of their families was most effective in helping the young abusers quit the habit for good.
4. Partnership between the Government and Non-governmental Organizations is important to facilitate total commitment of society in beating drugs.

The "Smart Living" Youth Forum cum Anti-drugs Video Competition, Prize Presentation Ceremony was successfully held on Saturday, 2 February 2002 at the Hong Kong Convention and Exhibition Centre.
