## Dear Rotary leaders, My Presidents 2000:

In a flash July 1st 1999 came upon us and all the planning and waiting with anticipation is now behind us. Yes our journey into the new millenium has truly begun and I am proud to have you besides me as together we lead our District into the future.

Official Photograph - Rossana & Carlo Ravizza and Dipo & Renuka Sani at the International Assembly in March 99

Let me first take this opportunity to congratulate you and wish you all a very healthy and successful year of service. Most if not all of us have never had the experience of entering into a new century. True it is really only another change of date from December 31st to January 1st. However this time the change is significant and people will see this as a time to reflect on the past as well as on the changes for the future.

The start of our year has indeed been fortunate as Hong Kong was the site of the last Rotary International Directors meeting held during Past President James Lacy's year. Due to this we had the honor of having President Carlo personally explain to all of us his theme: Rotary 2000: Act with Consistency, Credibility, Continuity. With

this theme he has asked us to promote consistency by believing and following our rules. With these actions throughout our clubs we will in turn enhance our credibility in the community we serve. He has asked us to promote continuity in our actions by accepting and supporting the successful programs started by our predecessors. He has taken Rotary in a new direction by encouraging us to promote and support multi-year programs.

His expectations of us are high - he is not asking us to promote any special program but instead he wants us to accomplish a change of attitude in our members. Our emphasis and goal has to be to transform our existing members into true, committed Rotarians, which will in turn result in creating a "quantity of quality" in our membership.

It is clear your club's future will depend on your leadership and action. Whatever you accomplish to make Rotary more **CONSISTENT**, more **CREDIBLE**, and have more **CONTINUITY** will surely set the right direction for your club into the new millenium. I pledge to work with you closely to help achieve our goals for this millenium year.

Yours in Rotary,

Dipo C. Sani

## 親愛的扶輪領袖、扶輪2000年的社長：

轉瞬間，1999年7月1日已經來臨，期待已久的工作計劃正緊緊的跟在後頭。不錯，邁向千禧年的行動已經起步，能夠與各位並肩前進，實在是無限的福氣。

首先，讓我們預祝新一年的服務，是扎實和成功的。在我們當中，相信大多數人，或者差不多全部，都未曾經歷過跨越千禧年的機會。當真，時空的轉移，只是從12月31日過渡到1月1日。但是，這一次過渡特別有意義，大多數人會覺得是檢閱過往，開拓未來的好時機。

年度尚未開始，我便交上了好運。國際扶輪理事會在前任社長雷施益主政的時候，選擇了香港為會議場地。因此，讓我們有機會親耳聆聽賴唯捨社長的教益，領會今年扶輪主題的真諦：「扶輪2000年一持恆、持守、持續的行動」。他勉勵大家，謹守「持之以恆」的概念，以各社的實際行動，向我們服務的社區，展示高超的信譽。他更加勉勵我們，接納和支持前人已奠下成功基礎的各項計劃；他又指出，弘揚跨年期的服務項目，是扶輪的新路向。

賴唯捨社長對大家有很高的期望，他並不是要求大家推行一些特別的計劃，反之，他希望大家扭轉一些社員的取向。我們的目標，是強烈要求所有社員，應該是真誠和有奉獻情操的社員，從而宏觀地令到全體社員「質量並重」。

明顯地，日後你社的進程，完全是仗賴你的領導。無論你的一言一動，只要能夠增進扶輪「持恆、持守和更持續地行動」，你絕對是抓對了方向，引領你社邁進千禧年。

我衷心地期望與大家攜手並肩，齊心合力地促成大家的共同目標，向千禧年獻禮！

你的服務夥伴

辛迪寶

Dear Fellow Rotarians,

On the eve of a new century, our thoughts naturally turn to the future. We ask ourselves: Where is Rotary going? Is our organization fully prepared to enter the 21st century? What direction should we take to become stronger and more effective?

The answers to these questions lie in the past and, even more so, in the present. The future is not an autonomous state, but one that we are constantly creating through the choices we make and the actions we take today. Let us begin now to ensure Rotary's success in the 21st century by applying the criteria of consistency, credibility, and continuity to all our actions and decisions.

**CONSISTENCY** requires that individuals adhere to their core beliefs and allow these basic principles to guide their actions. Rotary's mission is service, and for 94 years Rotarians have embraced this fundamental purpose and followed its ideals. Even as the world and our organization have changed so dramatically, our dedication to humanitarian service and international understanding has grown ever stronger. At the same time, however, we have seen how consistency with our mission in today's world demands new approaches and ideas. To remain consistent to the ideals of Rotary in the 21st century will require not only commitment to our founding principles but also the willingness and ability to change and grow.

**CREDIBILITY** means acting with honor in all our dealings — in our families, our businesses and professions, our clubs, and our communities. People believe in what Rotary does when Rotarians demonstrate their integrity and set an example of high ethical standards. Today, Rotary International stands at its highest level of credibility because Rotarians have proven their commitment to humanitarian service through PolioPlus. In the same way, each club will gain and maintain credibility in its community if all members always exemplify in their daily lives the ideals that Rotary espouses.

**CONTINUITY** is essential to an organization in which the leadership changes annually. If each new team of leaders were to revamp a club or district program every year, little would be accomplished in the long run. But continuity requires a certain amount of humility and generosity. It asks incoming leaders to meet those goals that have already been established before beginning a new project. Therefore, they need to defer their own plans and ideas until those of their predecessors have been fully developed.

The same criteria hold true at the international level. For Rotary International in the year 1999-2000, continuity will mean running the final leg of the race against polio; it will mean working within the existing framework of programs to prepare for service in the 21st century; and it will mean continuing our efforts to create a world

親愛的扶輪社員：—

面對新世紀的來臨，我們很自然會想起將來，我們問自己：「扶輪的未來會如何？本社是否已充份預備好踏進廿一世紀？我們該向那個方向走，才可變得更強更有效率？」

以上的問題的答案均可在「過去」以及更重要的「現在」尋找到。

將來本身不是自主的，是由我們今日作出的選擇及行動去不斷創造的。現在讓我們實踐持恆、持守、持續三個先決條件，應用在我們的行動和決策中，以確保扶輪在廿一世紀的成就。

「持恆」：要求每個人均能堅持信念，並讓這些基本原則牽引他們行動。扶輪的使命乃服務眾人，在過去 94 年，扶輪社員均本著這基本目的，憑著這信念去行動。縱使全世界及扶輪都經歷了極大轉變，然而我們對人道的奉獻及對國際瞭解卻更健更強。

但是，同時我們覺察到在現今世界裡，我們對使命的堅持需要加添新的方法和信念。要在廿一世紀繼續維持扶輪的信念，不但需要我們對固有宗旨的委身，更需要有願意應變的心意和發展的能力。

「持守」：要求無愧地履行我們生活中任何事情，不論是在家庭裏、在工作圈子、在社裏以及我們的社區裏。

當扶輪社員表現出他們的一致性，並豎立一個崇高道德標準的榜樣時，人們會相信扶輪的成就。

今日國際扶輪得到極高的信譽，乃因為扶輪社員已透過「消滅小兒麻痺計劃」，引證了他們對人道服務的委身。同樣地，倘若所有社員均時常在他們日常生活裡，實踐扶輪堅持的信念，每個社都能在其社區中贏得信賴。

# 2000

in which all human beings live in peace and dignity, surrounded by tolerance and solidarity.

Rotary 2000 is a time for consolidating the best of our past and present, while keeping our eyes fixed on the future and the challenges it will present. And there will be no shortage of those. Today's global outlook for the coming century lists the growing gap in living standards between rich and poor, increasing violence, population growth, food distribution, globalization vs. regionalism and fragmentation, environmental deterioration, and loss of cultural values as just some of the problems we will face. On the positive side, futurists cite the advent of even faster and different communications systems, new sources of energies, and genetically based productions among the advances that will improve life in the 21st century.

Clearly, we are moving toward a future that will be characterized at once by desperate needs and vast potential. We Rotarians are especially well-positioned to serve as a bridge between the problems and the possibilities. We have a strong presence in nations that are technology-rich as well as in countries that can barely meet even the most basic human needs. Let us use that presence — and the unique perspective it affords us — to create the vibrant spirit of Rotary 2000 and extend it to every part of the globe.

Rotary 2000 is a forward-looking spirit, but one that is grounded in the best traditions of our rich past. It is a spirit of service and fellowship. It is a spirit of international understanding. It is a spirit of tolerance and solidarity. It is a spirit which must originate in the hearts of individual Rotarians and radiate outward filling our clubs and districts. It is a spirit which must spread into the world beyond. It is a powerful spirit that will enable us all to work together, and it will advance the goals of Rotary around the globe. With consistency, credibility, and continuity as our compass, let us forge ahead to greet the opportunities awaiting Rotary in the new century.

「持續」：對一個每年更換領導層的組織來說，非常重要。倘若每年新領導層均改變各社或地區活動，長遠而言必定一事無成。持續需要一定程度的謙讓和寬容，要求新領袖完成已豎立的目標才開始新的計劃。因此，領袖們必須將自己的計劃和信念，推展至前人已確立的目標，直至計劃全面完成為止。

在國際層面而言，這要求亦同樣是必須的，對1999年至2000年度的國際扶輪來說，持續即等於繼續消滅小兒麻痺及其他疾病、在目前計劃藍圖內預備在廿一世紀中服務，以及等於繼續為建立一個全人類和平而有尊嚴地共存，並且容忍團結地生活的世界而努力。

2000年是我們展現未來及即將面對的挑戰的持

續，也是扶輪將過去經驗與現在結合的時間。

現今，環顧下世紀全球的問題，例如：貧富日益懸殊、戰亂增加、人口增長、糧食分配問題、全球一體化與地區分化，環境破壞及文化觀念的消失等等，只是部份我們即將面對的。從正面角度看，分析家列舉世紀中可以改善生活的各種，例如更快更多的不同資訊系統、新能量資源及以遺傳基因開發的新產品。

毫無疑問，我們正邁向一個既需求極大，又有巨大潛質的未來世界，我們扶輪社員處於連接問題與解決方法的特別的位置。我們處於科技非常發達的國家，亦身在連基本人類需要也未能滿足的國家。就讓我們利用這優勢，創造扶輪2000年的光輝精神，並將之擴展至地球上

每個角落。

扶輪2000年有積極前瞻的精神，但亦以我們優厚的主流作基礎。這是服務與聯誼的精神；這是對國際的認識和了解；這是容忍與團結的精神；這是必須發自個別扶輪社員心底而充滿全社和全區的精神；這是必須向全世界弘揚的精神；這是能使我們一同工作的強大精神；而且可以提昇全球扶輪的目標。讓我們以持恆、

扶輪帶來的挑戰。

ROTARY 2000

## A Message from President Carlo

### Our Goals for Rotary 2000

In an effort to promote continuity in club and district service projects, I am not introducing any new programs for the Rotary year 1999-2000. My predecessors have created programs for Rotary that cover the full array of human concerns-hunger and poverty, low-cost shelters, literacy, environmental issues, and most recently, at-risk children-to name just a few. Therefore, instead of asking clubs and districts to change their direction on 1 July and adopt a new program, I am encouraging them to continue the many successful projects already underway or to begin new long-term projects that focus on established service programs and emphases.

While I have not created a specific program for the year, I believe there are very specific goals that Rotarians can work toward to prepare for Rotary 2000 and achieve **consistency, credibility and continuity**.

I believe our **first** goal must be to adhere more closely to the high ethical and moral values that Rotary has espoused throughout the organization's history. These beliefs and the behavior they encourage are what distinguishes Rotary from other organizations and what will enhance our credibility in our communities throughout the world.

Our **second** goal will be to strengthen the quality of our membership. Not everyone has the personal characteristics needed to become a *committed* Rotarian-that is, an individual dedicated to service and eager to promote fellowship, tolerance and world understanding. In working to reverse recent membership losses, let us consider both quality and quantity, striving to achieve a quantity of quality in our membership. We cannot tolerate mediocrity. Only quality members will carry out the kind of quality projects that will, in turn, attract more quality members.

Goal number **three** will be to transform all of our members into real Rotarians. Uncommitted, uninformed members cannot effectively promote our spirit of service. Even worse, they can lower the morale within the club and damage our image in the community. Our priority in the coming year must be to transform those disaffected members in existing clubs into highly committed Rotarians, working to serve their communities and the world.

Our **fourth** goal must be to put more Rotary into our clubs, imbuing them with the spirit of service and fellowship that has fueled our work for almost a century.

And **finally**, we must cultivate new attitudes of tolerance, humility, and solidarity. Sometimes, this may require us to submerge our own egos for the good of Rotary-to-change our mindset from "I" to "we", from our "ego" to "teamwork". Teamwork can help us to create and nurture that essential spirit of solidarity and sharing.

Each of these goals will require change-changes in attitudes, changes in action, and, eventually, changes in Rotary's rules-if we are to adequately prepare for a new century of service. I am asking each of you to take responsibility for Rotary's future and get involved in this essential process of change. I am convinced that it will not happen without the full participation of Rotarians worldwide. In this dramatic time of change, let us as Rotary citizens overcome the barrier of indifference.

I am also convinced that by working together, we can build a stronger Rotary with more effective clubs and more committed Rotarians-Rotary 2000, an organization that is a model of **consistency, credibility and continuity**.

Carlo Ravizza  
President, R.I.

# DISTRICT GOVERNOR ELECT'S - ROAD TO ROTARY 2000

## INTERNATIONAL ASSEMBLY - FEBRUARY 26TH - MARCH 5TH 1999

The International Assembly is one of the most exciting event I have experienced in my Rotary career. It is a time of extensive training an incoming District Governor goes through in preparation for his upcoming Rotary year. It is unique in the sense that you get a chance to meet the incoming Governors of all the Districts in the Rotary world. Renuka and I arrived in Los Angeles on February 26th and were immediately transported to the Anaheim Hilton. We were to stay here until the end of the training session on March 5th 1999.

During these eight days we attended several Plenary Sessions daily as well as participating in group discussions with other incoming Governors and their spouses. We listened to motivating speeches given by past, present and future leaders of Rotary. These covered many topics relating to Leadership, The Rotary International Theme for 1999-2000 and The Rotary Foundation. It was without a doubt one of the most rewarding and motivating experience we have been involved in.
